# USD/HKD Currency Exchange Trading Hours Extending to 24/7 Round-the-Clock Service

June 12, 2026

Dear Valued Clients,

To provide you with greater flexibility in wealth management, our platform has officially **extended the trading hours for USD/HKD (US Dollar/Hong Kong Dollar) to 24-hour uninterrupted trading effective from June 13, 2026 4:00PM.**

To safeguard your trading interests, please pay special attention of the following matters when executing USD/HKD currency exchanges during non-regular trading hours (including Hong Kong public holidays, Saturdays, Sundays, and overnight from 4:00 pm to 9:00 am the following day on non-public-holiday Mondays through Fridays):

1. Reflecting Time for Funds and Trading Records:

- For exchange applications submitted on non-public holiday Mondays through Fridays (overnight between 4:00 PM and 9:00 AM the following day), the relevant funds and trading records will be processed progressively overnight and will be updated and reflected in your account before 9:00 AM on the following day. (Not reflected instantly)
- For exchange applications submitted on Saturdays, Sundays, and Hong Kong public holidays, the exchanged currency will be reflected in your account instantly upon submission.

2. Price Volatility During Non-Regular Trading Hours

- Exchange prices during non-regular trading hours may differ from those during regular trading hours. Due to lower market liquidity in non-regular trading hours, the spreads and/or rates may experience significant volatility.

**Important Reminder:** Before placing an order, please carefully evaluate whether the real-time quoted price meets your expectations and needs, and be aware that quota limits apply to exchange applications. Please place your order only if you fully accept the prices and terms provided.

Thank you for your support of our platform. Should you have any questions, please feel free to contact your Relationship Manager or call the Customer Service Hotline (852)2509 7524 / 40080 95521.
