Subject to the contrary arrangements in writing between the Client and GTJAS, any account subsequently opened will be operated on these terms and conditions.
- 13.2 **Severability:** If any provision of this T&C shall be held to be invalid, illegal or unenforceable by any court or regulatory agency or body, such invalidity, illegality or unenforceability shall attach only to such provision. The validity, legality and enforceability of the remaining provisions shall not be affected thereby and this T&C shall be carried out as if any such invalid or unenforceable provision were not contained here. Time shall be of the essence in relation to all matters arising under this T&C. 13.10.1 Any of the following non-exclusive and non-exhaustive events shall constitute an event of default: (a) the Client has breached any material term(s), representations, warranties and undertakings of this T&C or defaulted in respect of any Transaction with GTJAS; (b) the Client fails to pay for or otherwise settle any purchase (including the subscriptions to acquire a new listing and issue of Securities and all costs and expenses of the Transactions) or other Transaction under this T&C when due; (c) a voluntary or involuntary case or other procedure is commenced against the Client seeking or proposing bankruptcy, liquidation, reorganisation, an arrangement or composition, a freeze, standstill or moratorium, or other similar relief with respect to the Client or the Client's debts under any bankruptcy, insolvency, regulatory, supervisory or similar law (including any corporate or other law with potential application to the Client, if insolvent) or seeking the appointment of an insolvency official in respect of the Client or any substantial part of the Client's assets; (d) any warranty order of attachment or distress or equivalent enforcement action is filed against the Client; and/or (e) when the Client's acts or omissions constitute negligence, breach of any laws and regulations.

13.10.2 If an event of default occurs, without prejudice to any other rights or remedies that GTJAS may have against the Client and without further demand or notice to the Client, all outstanding indebtedness to GTJAS and any member of the GTJA Group (whether actual or contingent, present or future) will become immediately due and payable, including those not already due and payable and GTJAS shall be irrevocably authorized and entitled to: (a) cancel any or all outstanding orders or any other commitments made on the Client's behalf; (b) cover any short position in the Account through the purchase of Securities or liquidate any long position in the Account through the sale of Securities; (c) sell, dispose of or otherwise deal with in whatever manner any Securities and/or credit balance in the Account and other accounts under the GTJA Group; (d) sell or dispose of all or any part of the Client's property held by GTJAS or other member of GTJA Group in such manner and upon such terms as GTJAS may at its absolute discretion thinks fit towards satisfaction of the Client's obligations and indebtedness towards GTJAS or any member of the GTJA Group out of the net proceeds of sale of the Securities or other property (after deduction of the fees, expenses and costs incurred by the sale) in any order as GTJAS thinks fit.

13.10.3 Notwithstanding of clause 13.10.2 above, GTJAS may, at any time, combine or consolidate all or any of such accounts as are for the time being opened and maintained by the Client with GTJAS, including the Account, and the Client hereby irrevocably authorize GTJAS, without giving prior notice to the Client (without prejudice to the other rights or authorities granted to GTJAS hereunder): (a) to instruct other member of GTJA Group to transfer on the Client's behalf any funds standing from time to time in any account maintained at any time by the Client with other member of GTJA Group to any of the Client's account maintained at any time with GTJAS; (b) to transfer any funds standing from time to time in any account maintained by the Client with GTJAS to any account maintained at any time by the Client with other member of GTJA Group; (c) to set-off or transfer any sum standing to the credit of any one or more such accounts by the Client in or towards satisfaction of the Client's indebtedness, obligation or liability to GTJAS, other member of GTJA Group on any of the accounts or in any other respect whatsoever, whether such indebtedness, obligations or liabilities be present or future, actual or contingent, primary or collateral, several or joint, secured or unsecured, in other currencies or not arising from this T&C; and (d) to give other member of GTJA Group notice of such authority, and when such combination, consolidation, set-off or transfer requires the conversion of the currency into another, such conversion shall be calculated at such rate of exchange as conclusively determined by GTJAS prevailing in such foreign exchange market as GTJAS may at its absolute discretion (but shall notify the Client of GTJAS' decision) select on or about the date of the combination, consolidation, set-off or transfer. In respect of any payments by GTJAS to offset and discharge any of the Client's obligations to other member of GTJA Group or GTJAS, GTJAS shall not be concerned whether or not such obligation exist, provided demand has been made on GTJAS by other member of GTJA Group .

13.11 Set-off:

13.11.1 Unless expressly provided otherwise in this T&C, all sums payable by the Client under this T&C shall be paid in full without set-off or counterclaim or any restriction or condition.

13.11.2 The Client irrevocably and unconditionally authorises GTJAS to apply any amounts (in whatever currency) standing to the credit of the Accounts and/or any other account(s) in the Client's name with GTJAS or GTJAS's Affiliates in reduction of any amounts (whether matured or contingent) payable by the Client under this T&C.

13.11.3 In addition to any right of set-off, offset, combination of accounts, lien, right of retention or withholding or similar right GTJAS may have under this T&C or by law, GTJAS may, without prior notice to the Client or any other person, set off any sum or obligation (whether or not arising under this T&C, whether matured or contingent and irrespective of the currency, place of payment or booking office of the sum or obligation) owed by the Client to GTJAS or any Affiliate of GTJAS against any sum or obligation (whether or not arising under this T&C, whether matured or contingent and irrespective of the currency, place of payment or booking office of the sum or obligation) owed by GTJAS or any Affiliate of GTJAS to the Client.

13.12 Termination: Either party may terminate the Client's Account at any time provided a written notice is given to the other party two (2) business days in advance. The Client understands, upon the presentation of such notice, that the Client's Account shall be restricted to the closing transactions only i.e. the liquidation of existing Securities according to the terms of this T&C and GTJAS shall deal with the assets in the Account in such manner as it at its absolute discretion thinks fit including immediately repaying or settling any outstanding indebtedness owed to GTJAS and any member of the GTJA Group and paying the Client any remaining credit balance, if any. However, GTJAS may suspend or terminate the Client's Account forthwith at any time without prior notice to the Client if the Client breaches or fails to comply with any terms of this T&C, including those under clause 13.10, clause 17 and breach of Client Identity Rule Policy (termination for cause). Any termination is subject to satisfaction of any outstanding indebtedness and/or obligations in the Client's Account in GTJAS or other member of the GTJA Group, including but not limited to any debit balance, executed and yet unpaid purchases, and the settlement of the subscription and acquisition of shares of any new listing and issue, and shall not affect any Instructions executed or Transaction already entered into, or prejudice or affect any right, power, duty and obligation of either party accrued, prior to such termination.

13.13 Descriptive Headings: The heading of each provision hereof is for descriptive purposes only. They shall not be deemed to modify, qualify or otherwise substitute for any of the rights or obligations set forth in each of the provisions thereof contained in this T&C.

13.14 Indemnification:

13.14.1 The Client agrees that GTJAS, any member of GTJA Group and their respective directors, officers, employees and agents shall not be liable for any delay or failure to perform any of GTJAS' obligations hereunder or for any losses caused directly or indirectly by any condition or circumstances over which GTJAS, any member of the GTJA Group and their respective directors, officers, employees or agents do not have control, including but not limited to government restriction, exchange or market rulings, suspension of trading, failure of electronic or mechanical equipment or communication lines, telephone or other interconnect problems, unauthorized access, theft, war (whether declared or not), severe weather, earthquakes and strikes. The Client further agrees to indemnify GTJAS and GTJAS' officers, employees and agents on demand against any Loss arising out of or in connection with any breach by the Client of the Client's obligations hereunder including any costs incurred by GTJAS in collecting any debts due to GTJAS or in connection with the closure of the Account unless such Loss is a result of GTJAS' fraud, negligence or willful default.

13.14.2 The Client agrees to fully indemnify and hold harmless each of GTJAS and other members of the GTJA Group against all Loss incurred by GTJAS or any member of the GTJA Group, and solely bear all Loss which the Client may suffer, in connection with the carrying out of obligations or services, or exercise of rights, powers or discretion under or in connection with this T&C, including any action taken by GTJAS to protect or enforce its rights, or its security interest hereunder, whether or not as a result of any default or breach by the Client unless such Loss is a result of GTJAS' fraud, negligence or willful default.

13.14.3 GTJAS shall in no event be liable for any loss of the Client or anything whatsoever which may be suffered as a result of any default, insolvency, act or omission of any person, firm or company through or with whom transactions are effected for the Account.

13.14.4 The Client agrees that neither GTJAS nor any member of the GTJA Group shall be liable for any delay or failure to perform obligations and any loss resulting therefrom so long as they have acted in good faith, without negligence or willful default.

14. AEOI COMPLIANCE

14.1 Disclosure, Consent and Waiver: The Client hereby agrees and consents that GTJAS, GTJA Group and their agents and service providers may collect, store and process information obtained from the Client or otherwise in connection with this T&C and/or the Client's transactions for the purposes of complying with AEOI and/or other applicable law, including disclosures between GTJAS and any of them, and disclosures by any of them to the governmental authorities of the United States of America, Hong Kong and/or other jurisdictions. To the extent permitted by law, Client hereby waives any

provision of any data protection, privacy, banking secrecy or other law or regulation of any jurisdiction and/or the terms of any confidentiality agreement, arrangement or understanding that would otherwise prevent compliance by GTJAS, GTJA Group and their agents and service providers with AEOI and/or other applicable law. The Client acknowledges that this may include disclosures and transfer of information to jurisdictions which do not have strict data protection, data privacy laws or banking secrecy laws. The Client shall ensure that, before the Client or anyone on its behalf discloses information relating to any third party to GTJAS, GTJA Group or their agents or service providers in connection with this T&C or the Client's transactions, that third party has been provided with such information and has given such consents or waivers as are necessary to allow GTJAS, GTJA Group and their agents and service providers to collect, store, process and disclose his, her or its information as described in this Clause.

14.2 **Provision of Information:**

- (a) The Client shall upon request by GTJAS confirm to GTJAS (i) whether the Client is a person who is entitled to receive payments free from any deduction or withholding as required by AEOI (the "AEOI Exempt Person"); and (ii) supply to GTJAS such forms, documentation and other information relating to the Client's status under AEOI (including its applicable passthru rate or other information required under the US Treasury Regulations or other official guidance including intergovernmental agreements) as GTJAS reasonably requests for the purposes of GTJAS' compliance with AEOI (and that of any of GTJA Group).
- (b) If the Client confirm to GTJAS pursuant to the above that the Client is a AEOI Exempt Party and the Client subsequently becomes aware that the Client is not, or has ceased to be a AEOI Exempt Party, the Client shall notify GTJAS as soon as reasonably practicable.
- (c) If the Client fails to confirm its status or to supply forms, documentation or other information requested in accordance with paragraph (a) above (including, for avoidance of doubt, where paragraph (b) above applies), then:
 - (i) If the Client failed to confirm whether the Client is (and/or remains) a AEOI Exempt Party then the Client will be treated as if the Client were not a AEOI Exempt Party; and
 - (ii) If the Client failed to confirm its applicable passthru rate then the Client will be treated as if its applicable passthru rate were 100%, until such time as the Client provides GTJAS the requested confirmation, forms, documentation or other information.

14.3 **Withholding or Deduction:** If GTJAS is required pursuant to AEOI or otherwise by law to withhold or deduct any AEOI withholding taxes (including any penalties or interest payable in connection with any failure to pay or any delay in paying any such taxes) on any payments to the Client, GTJAS may withhold or deduct such taxes and GTJAS will not be required to increase any payment which GTJAS makes such withholding or deduction. The Client shall be treated for all purposes of this T&C as if GTJAS had discharged all its obligations to make payment and the Client had received the full amount of the payment without any withholding or deduction. The Client shall provide GTJAS such additional documentation reasonably requested by GTJAS to determine the amount to deduct and withhold from such payment.

15. **CHINA CONNECT**

15.1 Without prejudice to any other provisions in this T&C, the Client acknowledges and accepts the following additional terms and conditions applicable to trading in securities ("China Connect Securities") listed in the Shanghai Stock Exchange ("SSE") and/or Shenzhen Stock Exchange ("SZSE") through the Shanghai Connect and/or Shenzhen Connect under China Connect ("Northbound trading"):

- (a) The Client represents and undertakes on a continuing basis, including without limitation on each date that the Client places an order or gives an instruction in respect of China Connect Securities, that: (1) the Client is not a Mainland China Resident or an entity incorporated or registered under the laws of Mainland China; (2) the Client's investment in China Connect Securities does not violate the laws and regulations of Mainland China, including those in relation to foreign exchange control and reporting; and (3) the Client will trade shares listed on the ChiNext Board of the SZSE ("ChiNext Shares") and shares listed on the STAR Board of the SSE ("STAR Shares") only when the Client is, and in the case where the Client is an intermediary (including, but not limited to, a fund manager, asset manager, broker or order placer) trading for or on behalf of an underlying client or clients, each of such underlying client is, an Eligible Investor to trade ChiNext Shares and STAR Shares under the Northbound Trading Regulations;
- (b) The Client must understand and comply with all the applicable by-laws, codes, rules and regulations of SSE and/or SZSE ("SSE/SZSE Rules"), the relevant rules applicable to the companies listed in SSE/SZSE as issued by SSE/SZSE ("SSE/SZSE Listing Rules"), and other applicable laws and regulations of Mainland China relating to Northbound trading (together "Northbound Trading Regulations"). The Client acknowledges that if the Client is in breach of any Northbound Trading Regulations, the Client will be subject to regulatory investigation and be personally liable to any legal and regulatory consequences. GTJAS will not and does not intend to advise the Client on any of such Northbound Trading Regulations. The Client should consult the Northbound Trading Regulations (including but not

limited to the information about Northbound Trading Regulations published by Hong Kong Exchanges and Clearing Limited which can be accessed at its website) and obtain professional advice as necessary;

- (c) The Client hereby agrees and authorizes GTJAS to do or not to do whatever act without Client's prior approval in connection with any Northbound trading of the Client as GTJAS in its absolute discretion deems appropriate to comply with any Northbound Trading Regulations or any orders, directions, notices or requests from any authorities. GTJAS shall not be liable for any loss or damage directly or indirectly suffered by the Client arising from or in connection with such action or inaction of GTJAS;
- (d) The Client must understand fully the rules and regulations of Mainland China in relation to securities investment, such as short-swing profits, disclosure obligations and follow such rules and regulations accordingly;
- (e) GTJAS may in its absolute discretion refuse to execute or complete any instructions from the Client on any grounds such as, for example, in GTJAS' reasonable belief, execution of such instructions may not be compliant with any Northbound Trading Regulations, or the Client does not have sufficient securities to settle delivery obligation or sufficient cash (in Renminbi) to settle payment obligation;
- (f) Pre-trade checking is in place so that the Client must have his/her shares transferred to GTJAS' corresponding Central Clearing And Settlement System ("CCASS") account before the commencement of trading on a trading day if the Client intends to sell the shares during a trading day. Client undertakes to ensure there are sufficient and available China Connect Securities in his Account by the applicable cut-off time to cover any proposed sell order given on the relevant Trading Day. If GTJAS considers that Client does not for whatever reason have sufficient and available China Connect Securities in his Account to settle a sell order by the applicable cut-off time, GTJAS may in its absolute discretion: (1) reject Client's sell order (in whole or in part); (2) use any China Connect Securities in the designated CCASS stock account(s) which GTJAS holds for itself or on behalf of its other clients to fulfill the Pre-trade checking requirement in respect of Client's sell order, in which case Client shall reimburse GTJAS for any costs, losses or expenses which GTJAS incurs as a result of buying in or otherwise sourcing the amount of China Connect Securities which Client has failed to deliver in respect of his sell order on such terms and at such price (including any associated fees and expenses) and at such time as GTJAS shall determine in its absolute discretion); or (3) perform any other act which GTJAS considers necessary or desirable to comply with Pre-trade checking and/or relevant Northbound Trading Regulations and to cover Client's shortfall (including but not limited to applying any other China Connect Securities available to GTJAS from other sources);
- (g) All trading must be conducted on SSE/SZSE, i.e. no over-the-counter (OTC) or manual trades are allowed;
- (h) No day trading is allowed;
- (i) GTJAS does not offer short selling service of China Connect Securities;
- (j) Naked short selling of China Connect Securities is not allowed;
- (k) GTJAS does not offer stock borrowing and lending services of China Connect Securities;
- (l) Foreign shareholding restriction (including the forced-sale arrangement) is in place and GTJAS has the right to "force-sell" the Client's shares upon receiving the forced-sale notification from the Exchange;
- (m) GTJAS has the right to cancel the Client's orders in case of contingency;
- (n) GTJAS may not be able to send in the Client's order cancellation requests in case of contingency such as when the Exchange loses all its communication lines with SSE/SZSE, etc and the Client shall still bear the settlement obligations if the orders are matched and executed;
- (o) At the request of the Exchange (for the purposes of assisting SSE/SZSE or other regulators of Mainland China in its regulatory surveillance, investigation and/or enforcement, or otherwise as part of the regulatory cooperation between the Exchange and SSE/SZSE or other regulators of Mainland China), GTJAS may forward the information in relation to the Client, including but not limited to the Client's identity, personal data and trading activities, to the Exchange which may on-forward such information to SSE/SZSE or other regulators of Mainland China for such surveillance, investigation or enforcement purposes;
- (p) If any Northbound Trading Regulations is breached, or the disclosure and other obligations referred to in the SSE/SZSE Listing Rules or SSE/SZSE Rules is breached, SSE/SZSE has the power to carry out investigation, and may, through the Exchange, require GTJAS to provide relevant information and materials (in relation to, including but not limited to, the Client's identity, personal data and trading activity) and to assist in its investigation. The Client shall upon request by GTJAS, SSE/SZSE or the Exchange provide such information and provide such assistance as requested. The Client hereby waives the benefit of any applicable secrecy laws and personal data protection laws;
- (q) The Exchange may upon SSE's/SZSE's request, require GTJAS to reject or cancel orders from the Client;
- (r) The Client needs to understand and accept the risks concerned in Northbound trading, including but not limited to prohibition of trading securities listed in SSE/SZSE, being liable or responsible for breaching the SSE/SZSE Listing Rules, SSE/SZSE Rules and other applicable laws and regulations;
- (s) SSE/SZSE may request the Exchange to require GTJAS to issue warning statements (verbally or in writing) to the

Client, and not to extend Northbound trading to the Client;

- (t) GTJAS shall have no obligation to collect or receive or take any other action in relation to any payment or distribution in respect of China Connect Securities for the Client's account, or to notify the Client about any notice, circular, announcement or similar corporate action in respect of China Connect Securities;
- (u) The Client shall be solely responsible for all fees, charges, levies and taxes and all filing, tax returns, and other registration or reporting obligations as may be required by any relevant authority, relating to any of the Client's investment through Northbound trading and any incomes, dividends, profits and entitlements in respect of such investment; and
- (v) GTJAS, Hong Kong Exchanges and Clearing Limited, the Exchange, the Exchange's subsidiaries, SSE/SZSE and SSE's/SZSE's subsidiaries and their respective directors, employees and agents shall not be responsible or held liable for any loss or damage directly or indirectly suffered by the Client or any third parties arising from or in connection with Northbound trading or the China Connect.

15.2 The Client has read and acknowledged the following disclosure of specific risks relating to China Connect, and agrees that these disclosures do not cover all risks related to China Connect. The Client will obtain relevant professional advice as necessary;

- (a) **Not protected by Investor Compensation Fund:** The Client should note that any Northbound or Southbound trading under China Connect will not be covered by Hong Kong's Investor Compensation Fund. As far as Hong Kong investors participating in Northbound trading are concerned, since they are carrying out Northbound trading through securities brokers in Hong Kong and these brokers are not Mainland China brokers, they are not protected by China Securities Investor Protection Fund on Mainland China.
- (b) **Pre-Trade Checking:** SEHK is required to check that in respect of any Northbound sell orders given by an Exchange Participant, the relevant Exchange Participant holds sufficient and available China Connect Securities to be able to fill such Northbound sell orders. Pre-Trade Checking will be carried out prior to the start of each Trading Day. Accordingly, the Client may be unable to execute Northbound sell orders due to Pre-Trade Checking related requirements. Note in particular that the Client may be unable to execute a sell order of China Connect Securities if there has been a delay or failure for whatever reason in the transfer of the relevant China Connect Securities to any clearing account of GTJAS or if for any other reason GTJAS considers that there is or may be non-compliance with any Northbound Trading Regulations. Any risk, loss or cost resulting from non-compliance or potential non-compliance with Pre-trade checking and/or the relevant Northbound Trading Regulations shall be borne by the Client.
- (c) **Quotas Restrictions:** Purchases of China Connect Securities through China Connect are subject to certain quota controls. As a result, there is no assurance that a buy order can be successfully placed through China Connect. There is a daily quota that limits the maximum value of all Northbound buy trades that can be executed by Exchange Participants on each Trading Day ("Daily Quota"). The Daily Quota may change from time to time without prior notice and investors are advised to refer to the HKEx website and other information published by the HKEx for up-to-date information. The SEHK and the SSE and/or SZSE (as the case may be) may also set pricing and other restrictions on buy orders in order to prevent the artificial use or filling of the Daily Quota. If there is a restriction, rejection or suspension of Northbound buying (which would include any order that has been accepted but not yet executed) as a result of a breach of the Daily Quota or the relevant pricing and other restrictions, GTJAS will be unable to carry out any buy orders and any instruction to buy submitted but not yet executed will be restricted or rejected. Conversely, under the SEHK rules, investors may sell their China Connect Securities regardless of whether there is a breach of the Daily Quota.
- (d) **Difference in trading day and trading hours:** The Client should note that, due to differences in public holiday between Hong Kong and Mainland China or other reasons, there may be difference in trading days and trading hours in the two markets. China Connect will only operate on days when both markets are open for trading and when banks in both markets are open on the corresponding settlement days. So it is possible that there are occasions when it is a normal trading day for the Mainland China market but Hong Kong investors cannot carry out any A-share trading. The Client should take note of the days and the hours which China Connect is open for business and decide according to their own risk tolerance capability whether or not to take on the risk of price fluctuations in A-shares during the time when China Connect is not trading.
- (e) **The recalling of eligible stocks and trading restrictions:** A stock may be recalled from the scope of eligible stocks for trading via China Connect for various reasons, and in such event the stock can only be sold but restricted from being bought. This may affect the investment portfolio or strategies of the Client. The Client should therefore pay close attention to the list of eligible stocks as provided and renewed from time to time by SSE, SZSE and SEHK. Under China Connect, the Client will only be allowed to sell A-share but restricted from further buying if: (i) the A-share subsequently ceases to be a constituent stock of the relevant indices; (ii) the A-share is subsequently under "risk alert"; and/or (iii) the corresponding H share of the A-share subsequently ceases to be traded on SEHK. The

Client should also note that price fluctuation limit would be applicable to A-shares.

- (f) **Trading costs:** In addition to paying trading costs and stamp duties in connection with A-share trading, the Client carrying out Northbound trading via China Connect should also take note of any current and new tax in respect of income and capital gain arising from investment in securities which would be determined by the relevant authorities.
- (g) **Local market rules, foreign shareholding restrictions and disclosure obligations:** Under China Connect, A-shares listed companies and trading of A-share are subject to market rules and disclosure requirements of the A-share market. Any changes in laws, regulations and policies of the A-share market or rules in relation to China Connect may affect share prices. The Client should also take note of the foreign shareholding restrictions and disclosure obligations applicable to A-shares. The Client will be subject to restrictions on trading (including restriction on retention of proceeds) in A-shares as a result of its interest in the A-shares. The Client is solely responsible for compliance with all notifications, reports and relevant requirements in connection with its interests in A-shares. Under the current Mainland China rules, once an investor holds or controls shares (on an aggregate basis, i.e., including both domestically and overseas issued shares of the same Mainland China Listco (as defined below), whether the relevant holdings are through Northbound trading, QFII/RQFII regime or other investment channels) in a Mainland China incorporated company which is listed on a Mainland China stock exchange (a "Mainland China Listco") above a certain threshold as may be specified from time to time by the relevant regulatory authorities, the investor is required to disclose his interest within the period specified by the relevant regulatory authorities and during which he cannot trade the shares of that company. The investor is also required to disclose any change in his shareholding and comply with related trading restrictions in accordance with the Mainland China rules and regulations. Where a Mainland China incorporated company has both H Shares listed on the SEHK and A-Shares listed on the SSE and/or SZSE (as the case may be), if an investor is interested in more than a certain threshold (as may be specified from time to time) of any class of voting shares (including A-Shares purchased through China Connect) in such Mainland China incorporated company, the investor is under a duty of disclosure pursuant to Part XV of the SFO. Part XV of the SFO does not apply where the Mainland China incorporated company has not listed any shares on the SEHK. It shall be the Client's responsibility to comply with any disclosure of interest rules from time to time imposed by the relevant regulatory authorities and arrange for any relevant filings. According to existing Mainland China practices, Hong Kong and overseas investors as beneficial owners of A-shares traded via China Connect cannot appoint proxies to attend shareholders' meetings on their behalf.
- (h) **Currency risks:** Northbound investments in the China Connect securities will be traded and settled in Renminbi. If the Client holds a local currency other than Renminbi, the Client will be exposed to currency risk if the Client invests in a Renminbi product due to the need for the conversion of the local currency into Renminbi. During the conversion, the Client will also incur currency conversion costs. Even if the price of the Renminbi asset remains the same when the Client purchases it and when the Client redeems / sells it, the Client will still incur a loss when the Client converts the redemption / sale proceeds into local currency if Renminbi has depreciated.
- (i) **Short Swing Profit Rule:** Under Mainland China laws, rules and regulations, the "short swing profit rule" requires the Client to give up/return any profits made from purchases and sales in respect of China Connect Securities of a particular Mainland China Listco if (a) the Client's shareholding in that Mainland China Listco exceeds the threshold prescribed by the relevant regulatory authorities from time to time and (b) the corresponding sale transaction occurs within the six months after a purchase transaction, or vice versa. The Client must comply with the "short swing profit rule".
- (j) **Company Announcements on Corporate Actions:** Any corporate action in respect of China Connect Securities will be announced by the relevant issuer through the SSE website and/or SZSE website (as the case may be) and certain appointed newspapers. HKSCC will also record all corporate actions relating to China Connect Securities in CCASS and inform its clearing participants of the details via the CCASS terminals as soon as practicable on the announcement date. Investors engaged in Northbound trading may refer to the SSE website and/or the SZSE website (as the case may be) and the newspapers and websites officially appointed from time to time or, alternatively, the HKEx website's China Stock Markets Web (or such other replacement or successor web page from time to time) for corporate actions in respect of China Connect Securities issued on the previous Trading Day. Investors should note that (i) issuers that are listed on the SSE/SZSE publish corporate documents in simplified Chinese only, and English translations will not be available and (ii) issuers listed on the ChiNext Board are required to publish certain corporate announcements on their corporate websites and the officially appointed websites only.
- (k) **ChiNext Shares:** ChiNext Shares involve a high investment risk. Key risks includes:
- (i) **Regulatory Risks:** The rules and guidance on listing, trading, disclosure and other matters of SZSE ChiNext vary much from those of the SZSE main board and SME board. For example, on the listing requirements, a shorter track record period and lower net profit, revenue and operating cash flow requirements will apply for company seeking IPO and listing on the ChiNext market. ChiNext companies may also have a lower post-IPO total share capital than main board and SME board companies. For details of the listing requirements on the ChiNext market, the SZSE main board and SME board, please visit SZSE website. Besides, ChiNext market adopts disclosure rules that substantially vary from those of the main board and SME board.

For example, ad hoc reports of ChiNext companies are only required to be published on a CSRC designated website and on the issuers' websites. If investors continue to check information through the usual disclosure channels for main board and SME boards, they may miss out some important information disclosed by ChiNext companies. Therefore, investors are advised to closely monitor announcements and risk alerts of ChiNext companies, be aware of market risks, and comply with relevant rules and regulations while trading in the ChiNext market.

- (ii) **Delisting risks:** The delisting standards of the ChiNext market are different from those of the SZSE main board and SME board. There are more situations that will lead to the delisting of ChiNext companies. ChiNext companies have greater exposure to the risk of being delisted, and such delisting process may be speeded up. In addition, the shares of ChiNext companies may be delisted immediately after SZSE determines its delisting. Investors will not be able to trade in delisted shares, and may lose all the invested capital in this case.
- (iii) **Operating risks:** ChiNext companies are generally in an early stage of development and have a shorter history. They are usually smaller in scale, have less stable operations, and are less resilient against market risks and industry risks. Although they may have higher growth potential and leverage more on technical innovations, their future performance particularly those without a profit track record is susceptible to great uncertainty.
- (iv) **High Share Price Volatility:** The share prices of ChiNext companies may fluctuate largely and frequently due to changing market conditions, investor speculations, inconsistent financial results, etc. ChiNext companies with low public float may be vulnerable to manipulations by major shareholders. The unstable financial result also adds the difficulty to the company valuations.
- (v) **Technical Risks:** It is uncertain whether a ChiNext company is able to convert its technical innovations into physical products or services. When the industry is experiencing rapid technological development and replacement, its product may be obsolete and may not survive in the market.

Investors should also refer to the standard Risk Disclosure Statement (in Chinese only) in the Investor Eligibility Implementing Measure of ChiNext Market which Mainland investors are required to acknowledge before trading in SZSE ChiNext market.

- (l) **STAR Shares:** STAR Shares involve a high investment risk. Key risks includes:
 - (i) **Regulatory Risks:** The rules and guidance on listing, trading, disclosure and other matters of SSE STAR vary much from those of the SSE main board. For example, on the listing requirements, lower net profit and revenue requirements will apply for company seeking IPO and listing on the STAR market. Different trading arrangements will apply for the trading of STAR companies, such as daily price limit, minimum order size and maximum order size. For details of the listing requirements and the trading arrangements of the STAR market and the SSE main board, please visit SSE website.
 - (ii) **Delisting risks:** The delisting standards of the STAR market are different from those of the SSE main board. There are more situations that will lead to the delisting of STAR companies. STAR companies have greater exposure to the risk of being delisted, and such delisting process may be speeded up.
 - (iii) **Operating risks:** STAR companies are generally in an early stage of development and have a shorter history. They are usually smaller in scale, have less stable operations, and are less resilient against market risks and industry risks. Although they may have higher growth potential and leverage more on technical innovations, their future performance particularly those without a profit track record is susceptible to great uncertainty.
 - (iv) **High Share Price Volatility:** The share prices of STAR companies may fluctuate largely and frequently due to changing market conditions, investor speculations, inconsistent financial results, etc. The unstable financial result also adds the difficulty to the company valuations.
 - (v) **Technical Risks:** There is higher degree of uncertainty whether a STAR company is able to convert its technical innovations into physical products or services. When the industry is experiencing rapid technological development and replacement, its product may be obsolete and may not survive in the market.

Investors should also refer to the standard Risk Disclosure Statement (in Chinese only) in the Investor Eligibility Implementing Measure of STAR Market which Mainland investors are required to acknowledge before trading in SSE STAR market.

- (m) **Margin Trading:** Subject to certain conditions prescribed by the regulatory authorities, Hong Kong and overseas investors may conduct margin trading in China Connect Securities determined by the relevant regulatory authorities to be eligible for margin trading ("Eligible Margin Trading Securities"). The HKEx will from time to time publish a list of Eligible Margin Trading Securities. A SSE/SZSE may suspend margin trading activities in any specific A Share if the volume of margin trading activities in such A Share exceeds a threshold determined by such SSE/SZSE and resume margin trading activities when the volume of margin trading drops below a prescribed threshold. Where the SEHK is

notified by the relevant SSE/SZSE that a suspension or resumption involves a security on the list of Eligible Margin Trading Securities, the HKEx will disclose such information on its website. In such circumstances, any margin trading (except for margin trading in respect of China Connect Securities buy orders) in the relevant China Connect Security shall be suspended and/or resumed accordingly. GTJAS shall not have any obligation to update the Client in respect of the list of Eligible Margin Trading Securities or any restrictions or suspensions in respect of margin trading from time to time.
