- 5.3 **Dealing in non-HKFE Markets:** If the Client wishes to deal in any Derivatives contract in markets other than those organized by HKFE, such transactions will be subject to the rules and regulations of those markets and not those of HKFE with the result that the Client may have a markedly different level and type of protection in relation to those transactions as compared to the level and type of protection afforded by HKFE Rules.
- 5.4 **HKFE Mandatory Transfer:** The Client acknowledges that the HKFE Clearing House may do all things necessary to transfer any open positions held by GTJAF on the Client's behalf and any money and security standing to the credit of the Account with GTJAF to another exchange participant of HKFE in the event the rights of GTJAF as an exchange participant of HKFE are suspended or revoked.
- 5.5 **Custody of Funds:** All monies and other property that GTJAF receives from the Client or from any other person (including the HKFE Clearing House and any other clearing house) for the Account shall be held by GTJAF as trustee, segregated from its own assets and be paid into a segregated bank account as soon as practicable and in any event within two (2) Business Days after its receipt.

- 5.6 **Authorization to Appropriate Funds:** The Client authorizes GTJAF to apply any monies which the Client may pay to GTJAF, in particular, GTJAF may apply such monies in or towards meeting GTJAF's obligations to any party insofar as such obligations arise in connection with or incidental to the business of dealing in Derivatives transacted on the Client's behalf.

The Client agrees that GTJAF can deal with such account free of any trust or other equitable interest in favor of the Client and monies paid to the HKFE Clearing House or such other clearing house are thereby free from the trust referred to in this Clause 5.7.
- 5.8 **Position Limits and Reportable Large Open Position:** The Client is bound by the HKFE Rules which permits HKFE to take steps to limit the positions or require the closing out of contracts on behalf of the clients who, in the opinion of HKFE are accumulating positions which are or may be detrimental to any particular market(s) or which capable of adversely affecting the fair and orderly operation of any of the market(s) operated by HKFE. GTJAF, at any time in its sole discretion or as required by the relevant rules and regulations, may limit the number of positions, which the Client may maintain or acquire through GTJAF. The Client agrees not to exceed the position limits established by the HKFE or any other exchange or by GTJAF on any contract type, whether acting alone or with others, and to promptly advise GTJAF if the Client is required to file any reports on positions under the Securities and Futures (Contracts Limits and Reportable Positions) Rules (Cap.571Y).

Unless otherwise disclosed to the Client orally or in writing, GTJAF and its directors and employees will carry out Instruction and effect transactions for the Account as agent for the Client and not as principal. Unless otherwise proved to the contrary, the Client acknowledges that any sale or purchase of Derivatives effected by GTJAF pursuant to the Client's Instruction or any Authorized Person on behalf of the Client as aforesaid will not result from the selection or advice in the selection of such Derivatives by GTJAF.
- 6.2 **Client Instruction:** Instructions may be given orally, in writing or electronically, and shall be irrevocable once given. GTJAF shall be entitled to rely and act upon any Instruction which purports or which GTJAF believes in good faith to have been given by the Client or by an Authorized Person. Subject to prior written agreement with GTJAF, the Client may limit the powers and authorities of individual Authorized Persons. Amendments to the list of Authorized Persons shall take effect only when GTJAF has received and accepted written notification from the Client.

GTJAF may, at its absolute discretion, rely upon and act in accordance with any Instruction, notices or other communications which may be given or made or purported to be given or made by telephone or in writing, and which it believes to have emanated from the Client or an Authorized Person for and on behalf of the Client. GTJAF shall not be under any duty to verify the identity or authority of the persons giving or making or purporting to give or make the Instruction, notices or communications. GTJAF shall be entitled (but not bound) to act on or take such steps in connection with or in reliance upon such Instruction, notices or communications as GTJAF may consider appropriate regardless of the nature of the transaction or agreement or the value, type and quantity of Derivatives involved and notwithstanding any error or misunderstanding, whether apparent or actual, in the terms of such Instruction, notices or communications. All Instruction or orders whether made by telephone, cable, facsimile transmission, internet transmission, electronic mail, mail, orally or otherwise are transmitted at the Client's risks.
- 6.4 **Orders are for Good for the Day:** Unless the Client gives specific Instruction to GTJAF to the contrary and which Instruction is accepted by GTJAF, the Client acknowledges that all orders, Instruction or requests in relation to the Account are good for the day only and that they will lapse at the end of the official trading day of the exchange or market in respect of which they are given.

- 6.5 **Delays in Making Prices:** By reason of physical restraints on the floors of any exchange and rapid changes in the prices of Derivatives that frequently take place, there may, on occasions, be a delay in making prices or in dealing at any specific time or "at best" or "at market". The Client agrees in any event to accept and be bound by dealings which take place on his behalf and agrees that GTJAF shall not be under any liability for any loss arising by reason of GTJAF's failing or being unable to comply with any terms of an order of the Client or for any loss incurred as a result of transactions carried out or effected pursuant to this Agreement unless due to the wilful default of any of GTJAF's employees or agents.
- 6.6 **Voice recording:** GTJAF may use voice-recording procedures in connection with any communications with the Client or in order to record or verify Instruction from the Client or the Authorized Person. Any voice recording made by GTJAF shall constitute conclusive evidence of the communications so recorded.
- 6.7 **Third Party Instruction:** The Client understands that GTJAF will not accept any third party instruction, unless the Client have formally executed and delivered a valid power of attorney which expressly authorizes a named specific party to emit trade Instruction on the Client's behalf. The Client further agrees to indemnify GTJAF from any disputes, losses, costs, expenses and other claims arising from reliance thereupon. Should the Client decide to employ a third party to relate trade Instruction, the Client agrees to supply GTJAF with an accurate and truthful identification and personal information about the designated third party.
- 6.8 **Order Cancellations:** The Client may amend or cancel the Client's Instruction that has been previously transmitted. The Client agrees that GTJAF is not obligated to accept such amendment or cancellation. Instruction may only be amended or cancelled prior to the execution. The Client shall accept full responsibilities for the transactions, partial or full, executed prior to the processing of the Client's amendment and/or cancellation request.
- 6.9 **Order Refusal:** GTJAF may decline to accept any Instruction from the Client in its absolute discretion and without assigning any reason, whether in relation to the entering into or closing out of any contract, or the exercise of any rights thereunder. In such event, GTJAF will endeavour to notify the Client accordingly, but GTJAF shall not in any circumstances whatsoever be liable in any way for any loss of profit or gain, damage, liability, cost or expense suffered or incurred by the Client arising out of or in connection with GTJAF declining to act on such Instruction or omitting so to notify the Client.
- 6.10 **Independent Judgment:** Except where GTJAF solicits the sale of or recommend any Financial Product to the Client, the Client acknowledges and agrees that the Client shall retain full responsibility for all trading decisions in relation to the Account and GTJAF is responsible only for the execution, clearing and carrying out of transactions for the Account in accordance with the Client's Instruction and does not act as the Client's investment adviser.
- 6.11 **No Guarantee of Executions:** If GTJAF shall not be able to enter into such number of contracts on behalf of the Client as may have been specified in the Client's Instruction, GTJAF may enter into any number of contracts less than the number specified in such Instruction as it may be able to do so after having taken reasonable steps, and the Client shall be bound by such contracts so entered into. Without prejudice to the generality of the foregoing, the Client acknowledges and accepts that the rapid and frequent changes in spot and future prices, general market conditions, and/or the restrictions or limits imposed by any relevant exchange may make it impossible or impracticable for GTJAF to carry out the Client's Instructions, or to conclude a transaction on behalf of the Client at the prices quoted at any specific time. GTJAF shall not have any obligation or liability whatsoever and howsoever in respect of any failure to enter into contracts as specified in the Client's Instruction.
- 6.12 **Transaction in foreign currency:** In the event that the Client instructs GTJAF to enter into any Derivatives transactions which are effected in a foreign currency, (i) any profit or loss arising as a result of a fluctuation in the exchange rate affecting such currency will be entirely for the Client's account and at the Client's risk; (ii) Margin shall be recorded in such currency or currencies and in such amounts as GTJAF may in GTJAF's sole discretion elect; and (iii) GTJAF is authorized to convert funds in the Account into and from such foreign currency at a rate of exchange determined by GTJAF, in its sole discretion, on the basis of the then prevailing money market rates.

If, for any purpose, the Client is required to convert any amount due to GTJAF into a currency other than that in which it would otherwise have been due, the Client shall pay GTJAF such additional amounts as are necessary to ensure that, when received and reconverted, GTJAF will receive the full amount in the original currency as it would have received had no such conversion taken place.

- 6.13 **Choice of Exchange:** Unless the Client gives GTJAF specific Instructions to the contrary, all Instructions given by the Client, which may be executed on more than one exchange, may be executed on such exchange(s) as GTJAF may, in its absolute discretion, determine.
- 6.14 **Market Information:** Subject to Clause 6.15 below, the Client acknowledges that (a) any market recommendations and information communicated to the Client by GTJAF do not constitute an offer to sell or the solicitation of any offer to buy any Derivatives; (b) such recommendations and information, although based upon information obtained from sources believed by GTJAF to be reliable, may be incomplete and may not be verified;

and (c) GTJAF makes no representation, warranty or guaranty as to, and shall not be responsible for, the accuracy or completeness of any information or trading recommendation furnished to the Client.

- 6.15 **Suitability of Recommendation:** If GTJAF solicits the sale of or recommend any Financial Product to the Client, the Financial Product must be reasonably suitable for the Client having regard to the Client's financial situation, investment experience and investment objectives. No other provisions of this Agreement or any other document GTJAF may ask the Client to sign and no statement GTJAF may ask the Client to make derogates from this clause.
- 6.16 **Option Trading:** The Client understands that some exchanges and clearing houses have established cut-off times for the tender of exercise Instructions and that an option will become worthless if exercise Instructions are not delivered before such expiration time. The Client also understands that certain exchanges and clearing houses automatically will exercise some "in-the-money" options unless instructed otherwise. The Client acknowledges full responsibility for taking action either to exercise or to prevent the exercise of an option contract, as the case may be; GTJAF is not required to take any action with respect to an option contract, including but not limited to any action to exercise a valuable option prior to its expiration date or to prevent the automatic exercise of an option, except upon the Client's express Instructions. The Client further understands that GTJAF has established exercise cut-off times, which may be earlier than the times established by exchanges and clearing houses.
- 6.17 The Client understands that (i) all short option positions are subject to assignment at any time, including positions established on the same day that exercises are assigned, and (ii) exercise assignment notices are allocated randomly from among all GTJAF customers' short option positions, which are subject to exercise.

In addition, the Client shall pay or reimburse GTJAF forthwith on demand all commission, brokerage, levies, fees, duties and taxes and all other charges and expenses suffered or incurred by GTJAF arising out of or in connection with any purchase or sale of contracts entered into by GTJAF on behalf of the Client or otherwise arising out of or in connection with the performance of any of GTJAF's duties under this Agreement. All such amounts may be deducted from the Account and any other accounts maintained by the Client with GTJAF.

Such Margin shall be maintained with GTJAF and the Client shall not withdraw the same until the transaction to which it relates has been closed out. GTJAF shall be entitled to refuse to execute the Client's Instruction unless the Margin required by GTJAF has been provided to GTJAF.
- 8.2 Without prejudice and in addition to any other rights and remedies of GTJAF hereunder, the Client hereby irrevocably authorizes GTJAF without prior notice to the Client, to apply all or any part of any cash deposit or other property held for the account of the Client by GTJAF on any account whatsoever and whether or not relating to trading in the transactions:-
- (a) in or towards the provision of any Margin or additional Margin demanded by GTJAF pursuant to this Clause 8 and Clause 9 ;

 - (c) towards provision of security in favour of any exchange, clearing house or broker without prior notice to the Client and free of any beneficial interest of the Client as security for GTJAF's obligations to (and upon terms specified by) the exchange, clearing house or broker in respect of any transaction entered into by GTJAF on behalf of the Client;
 - (d) in satisfaction of any other obligations of GTJAF to any party insofar as such obligations arise in connection

Demands for Margin must be met within twelve (12) hours or such other time limit as GTJAF may in its absolute discretion determine to be necessary and notify to the Client. Without prejudice to the provisions of Clause 14, failure to meet margin calls may result in GTJAF being entitled or obliged by the rules or regulations of the relevant exchange and/or clearing house to close out the Derivatives contracts held on behalf of the Client in respect of which any Margin calls are not met within the period specified by GTJAF or at the time of making such call(s), and/or to notify the relevant exchange, clearing house or broker particulars of such contracts.

If GTJAF determines that additional Margin is required, the Client agrees to deposit with GTJAF such additional Margin when and as required and determined by GTJAF, and will promptly meet all Margin calls in such manner as GTJAF shall designate in its sole discretion. Notwithstanding any demand for additional Margin, GTJAF at any time may proceed in accordance with Clause 15 below, and any failure to proceed shall not be deemed a waiver of any rights by GTJAF.
- 8.5 Unless specifically instructed by the Client, the Derivatives contracts held in the Account which the exchange allows to be set off for margin purpose will automatically be set off for the determination of Margin without reference to the Client, but these contracts will not be closed out or treated as netted off for any other purpose.

GTJAF is obliged to report to HKFE particulars of all contracts in respect of which the Client has failed on two successive occasions to meet a demand for Margin or additional Margin or variation adjustments as provided in this Clause and GTJAF may close out Client contracts in respect of which any demand for Margin or additional Margin or variation adjustments or has not been met.

All monies payable by GTJAF to the Client shall be transferred by GTJAF to the bank account specified by the Client on the Account Opening Form or in such other manner as may be agreed between the parties from time to time. All monies paid as aforesaid to the Client's specified bank account shall be deemed good discharge of GTJAF's obligation to make payment to the Client.
- 10.4 The Client confirms that unless an Authorized Person is also the Client, Authorized Person shall only have authority in placing trade orders on behalf of the Client in relation to this Agreement. No Authorized Person shall be

12. SETTLEMENT

12.1 The Client accepts that every transaction effected for the Account contemplates actual performance in accordance with its terms, including delivery and receipt of any Derivatives and payment for them. Notwithstanding this and subject to Clause 12.4 below, in respect of each open position in relation to the Account which remains subsisting on the maturity date for its settlement, neither GTJAF nor the Client shall have any obligation to make or take delivery (as the case may be) of the commodities forming the underlying subject matter of the Derivatives transaction on the maturity date, if, according to the rules or usual practice of the relevant exchange, the outstanding obligations of the buyer and seller of such open position shall be satisfied solely by cash settlement based on a difference in price or value, in which case GTJAF or the Client (as the case may be) shall settle or close the open position by paying the relevant difference to the other on the maturity date thereof. The Client shall take all necessary actions to enable GTJAF to effect due settlement of each transaction effected for the Account in accordance with the rules, regulations and requirements of the relevant exchange and/ or clearing house.

Unless required by the rules of the relevant exchange or otherwise agreed between GTJAF and the Client that the outstanding obligations of the buyer and seller of an option contract are satisfied solely by cash settlement based on a difference in price or value, such notice shall only be considered valid when accompanied:-

- (a) in the case of a put option, with the underlying commodity or document(s) of title needed for making delivery; and
- (b) in the case of a call option, with sufficient immediately available funds to take delivery of the commodity.

Unless specifically instructed by the Client and subject to the terms of this Agreement, GTJAF shall not have any responsibility whatsoever to tender any exercise Instruction on behalf of the Client in respect of any option contract whether on or before the relevant cut-off date applicable to the option contract.

- 12.4 If GTJAF or another broker (as the case may be) shall for any reason whatsoever and howsoever fail to receive payment of all or any amount, or to receive delivery of all or any part of any amount of any commodity (whether from the relevant exchange, clearing house and/or any other person), due to be paid or delivered to the Client in respect of any transaction in relation to the Account on the due date for payment or delivery thereof in accordance with the rules and regulations of the relevant exchange and/or clearing house and/or any applicable laws, GTJAF's obligations to make payment or to deliver any commodity to the Client in respect of such transaction shall thereupon and by virtue of such failure become obligations to make payment of such amount or delivery of such quantity of such commodity as is equal to such payment or such quantity as is actually received by the GTJAF in respect thereof.
- 12.5 GTJAF may in its absolute discretion but shall not be bound to act on any Instruction from the Client to take any action whatsoever or howsoever against any exchange, clearing house, other broker and/or any other person in respect of any failure by such exchange, clearing house, other brokers and/or other person to make any payment or to deliver any amount of any commodity in respect of any transaction executed in relation to the Account as referred to in Clause 12.4 above, provided that if any such action is taken by GTJAF, the Client shall fully indemnify and keep GTJAF indemnified on demand in respect of all costs, claims, demands, damages, fees and expenses arising out of, or in connection with, the taking of such action.
- 12.6 Where the Client holds a short position under an option contract and the option is exercised (or deemed to be exercised on expiry or otherwise), the Client shall on demand pay GTJAF in cash the settlement amount payable by the Client or make or take delivery (as the case may be) of the commodity or the subject matter of the option contract pursuant to the terms of the option contract.
- 12.7 Any statement or confirmation signed by any authorized signatory of GTJAF stating the price or value at which any Derivatives contract is entered into or closed out, or the exchange rate applicable in any currency conversion, or the amount owed by the Client to GTJAF at any given time, shall (in the absence of manifest error) be binding on the Client as to the particulars stated.

- 13.3 At the request of GTJAF, the Client shall grant or shall procure that such persons as are acceptable to GTJAF shall grant further security in terms satisfactory to GTJAF in respect of any of the obligations of the Client under this Agreement.

- (b) when delivered (in the case of personal delivery), or communicated (in the case of telephone, facsimile transmission or e-mail) and that no such notice or communication need be signed on GTJAF's behalf.

19.4 **Duty to Notify Error:** The Client shall inform GTJAF within seven (7) days of the possession or knowledge of information if the Client is aware of any discrepancies and/or error with regard to and in connection with any of the Client's Account information, transactions, settlements and fund transfers. The Client agrees that the Client's failure to notify of such discrepancy and/or error in a prompt manner would exonerate GTJAF.

- 19.5 **Amendment:** To the extent permitted by law, GTJAF may from time to time amend any of the terms and conditions of this Agreement by notifying the Client and such amendments shall come into effect immediately upon the Client's deemed receipt of GTJAF's notice. The Client acknowledges and agrees that if the Client does not accept any amendments as notified by GTJAF from time to time, the Client shall have the right to terminate this Agreement in accordance with termination clause under this Agreement. The Client further agrees that any amendments shall be deemed to be accepted by the Client, should the Client continue to effectuate transaction(s) in the Client's Account without expressly communicate the Client's objections to such amendments prior to the transaction(s).
- 19.6 **Waiver:** Waiver of any right under this Agreement must be in writing signed by the party waiving such right. GTJAF will not be regarded as having waived any right under this Agreement if GTJAF fails or delays in exercising such right. Any single or partial exercise of any rights under this Agreement will not preclude any further exercise of such right or exercise of any other right. GTJAF's failure to insist at any time on strict compliance with any of the terms or conditions of this Agreement or any continued course of such conduct on GTJAF's part shall, in no event, constitute or be considered as a waiver by GTJAF of any of GTJAF's powers, rights, remedies or privileges.
- 19.7 **Assignment:** GTJAF may assign GTJAF's rights or obligations under this Agreement to any of GTJAF's subsidiaries or affiliates without giving any prior notice, or to any other entity upon prior written notice to the Client. The Client shall not assign the Account and/or any of the Client rights and/or obligations under this Agreement to any other party except with GTJAF's prior written consent.
- 19.8 **Termination:** This Agreement may be terminated at any time by written notice given by either party to this Agreement provided that this Agreement shall not be deemed to be terminated by the Client until GTJAF accepts the Client's termination notice on the basis that the Client does not have any outstanding balances in the Account. This shall not affect any undertakings or indemnities given by the Client under this Agreement or any rights or obligations under this Agreement outstanding as at the date of termination, all of which shall survive such termination. Without prejudice to the foregoing, any termination shall not affect the rights or liabilities of either party arising out of or in connection with any contracts at the time of such termination, including as to Margin, until all such contracts have been closed out or settlement and/or delivery has been effected and all such liabilities fully discharged.
- 19.9 **English/Chinese Version:** The Client confirms that the Client has read the English or Chinese version of this Agreement and that the contents of this Agreement have been fully explained to Client in a language which Client understands, and that the Client accepts this Agreement in its entirety. In the event that there is inconsistency between the English version and the Chinese version of this Agreement, the English version shall prevail.
- 19.10 **Descriptive Headings.** The heading of each provision hereof is for descriptive purposes only. They shall not be deemed to modify, qualify or otherwise substitute for any of the rights or obligations set forth in each of the provisions thereof contained in this Agreement.
- 19.11 **Indemnification:**
- (a) Neither GTJAF nor any of its directors, employees or agents shall have any liability whatsoever (whether in negligence or otherwise) for any loss, expense or damage suffered by the Client as a result of:-

 - (v) any conversion of one currency to another pursuant to, in relation to or arising from this Agreement.
 - (b) Without limiting the generality of 19.11(a) above, neither GTJAF nor any of its directors, employees or agents shall have any liability whatsoever (whether in negligence or otherwise) for any loss, expense or damage suffered by the Client arising out of or alleged to arise out of or in connection with any inconvenience, delay or loss of use of the ETS or any delay or alleged delay in acting or any failure to act on any Instruction given by the Client to GTJAF, even if GTJAF has been advised of the possibility of such losses or damages.
 - (c) The Client undertakes to indemnify and keep GTJAF and any of its directors, employees or agents fully indemnified from and against all costs, claims, demands, damages, liabilities and expenses (including legal expenses on a full indemnity basis) whatsoever which may be reasonably suffered or incurred by GTJAF directly or indirectly arising out of or in connection with any transaction entered into by GTJAF as agent on

behalf of the Client or otherwise whatsoever or howsoever arising out of anything done or omitted to be done by GTJAF in accordance with the terms of this Agreement or pursuant to any Client's Instruction or communication. Further, the Client agrees to do such things and acts as are necessary, or in GTJAF's opinion, as is desirable, to ratify or confirm any thing or act done by GTJAF as the Client's agent or on his behalf pursuant to this Agreement. The Client also agrees to pay promptly to GTJAF all damages, costs, expenses incurred by GTJAF in the enforcement of any of the provisions of this Agreement.

- (d) The Client undertakes to indemnify GTJAF and its officers, employees and agents for any loss, cost, claim, liability or expense arising out of or connected with any breach by the Client of its obligations hereunder, including any costs reasonably and necessarily incurred by GTJAF in collecting any debts due to GTJAF or in connection with the closure of the Account(s).

The Client understands that a fee shall be charged by GTJAF for any such request.

23. **AEOI COMPLIANCE**

23.1 **Disclosure, Consent and Waiver:** The Client shall provide to GTJAF, GTJA Group, their agents or service providers, upon request, any documentation or other information regarding the Client and its beneficial owners that GTJAF, GTJA Group, their agents or service providers may require from time to time in connection with their obligations under, and compliance with, applicable laws and regulations including, but not limited to, AEOI. The Client hereby agrees and consents that GTJAF, GTJA Group and their agents and service providers may collect, store and process information obtained from the Client or otherwise in connection with this Agreement and/or the Client's transactions for the purposes of complying with AEOI and/or other applicable law, including disclosures between GTJAF and any of them and to the governmental authorities of the United States of America, Hong Kong and/or other jurisdictions. To the extent permitted by law, Client hereby waives any provision of any data protection, privacy, banking secrecy or other law or regulation of any jurisdiction and/or the terms of any confidentiality agreement, arrangement or understanding that would otherwise prevent compliance by GTJAF, GTJA Group and their agents and service providers with AEOI and/or other applicable law. The Client acknowledges that this may include transfers of information to jurisdictions which do not have strict data protection, data privacy laws or banking secrecy laws. The Client shall ensure that, before the Client or anyone on its behalf discloses information relating to any third party to GTJAF, GTJA Group or their agents or service providers in connection with this Agreement or the Client's transactions that third party has been provided with such information and has given such consents or waivers as are necessary to allow GTJAF, GTJA Group and their agents and service providers to collect, store, process and disclose his, her or its information as described in this Clause.

23.2 **Provision of Information:**

- (a) The Client shall upon request by GTJAF confirm to GTJAF (i) whether the Client is a person who is entitled to receive payments free from any deduction or withholding as required by AEOI (the "AEOI Exempt Person"); and (ii) supply to GTJAF such forms, documentation and other information relating to the Client's status under AEOI (including its applicable passthru rate or other information required under the US Treasury Regulations or other official guidance including intergovernmental agreements) as GTJAF reasonably requests for the purposes of that GTJAF's compliance with AEOI (and the compliance of any of GTJA Group).
- (b) If the Client confirm to GTJAF pursuant to the above that the Client is a AEOI Exempt Party and the Client subsequently becomes aware that the Client is not, or has ceased to be a AEOI Exempt Party, the Client shall notify GTJAF as soon as reasonably practicable.
- (c) If the Client fails to confirm its status or to supply forms, documentation or other information requested in accordance with paragraph (a) above (including, for avoidance of doubt, where paragraph (b) above applies), then::
 - (i) If the Client failed to confirm whether the Client is (and/or remains) a AEOI Exempt Party then the Client will be treated as if the Client is not a AEOI Exempt Party; and
 - (ii) If the Client failed to confirm its applicable passthru rate then the Client will be treated as if its applicable passthru rate is 100%, until such time as the Client provide GTJAF the requested confirmation, forms, documentation or other information.

23.3 **Withholding or Deduction:** If GTJAF is required pursuant to AEOI or otherwise by law to withhold or deduct any AEOI withholding taxes (including any penalties or interest payable in connection with any failure to pay or any delay in paying any such taxes) on any payments to the Client, GTJAF may deduct such taxes and GTJAF will not be required to increase any payment in respect of which GTJAF makes such withholding. The Client shall be treated for all purposes of this Agreement as if the Client had received the full amount of the payment, without any deduction or withholding. The Client shall provide GTJAF such additional documentation reasonably requested by GTJAF to determine the amount to deduct and withhold from such payment.

24. RISK DISCLOSURE STATEMENTS

24.1 The following statements are furnished to the Client in accordance with the Code of Conduct for Persons Licensed By or Registered With the Securities and Derivatives Commission.

Risk of Trading Futures and Options

The risk of loss in trading futures contracts or options is substantial. In some circumstances, the Client may sustain losses in excess of the Client's initial margin funds. Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily avoid loss. Market conditions may make it impossible to execute such orders. The Client may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, the Client's position may be liquidated. The Client will remain liable for any resulting deficit in the Client's account. The Client should therefore study and understand futures contracts and options before the Client trades and carefully consider whether such trading is suitable in the light of the Client's own financial position and investment objectives. If the Client trades options, GTJAF should inform the Client of exercise and expiration procedures and the Client's rights and obligations upon exercise or expiry.

Risk of Client Assets Received or Held Outside Hong Kong

Client assets received or held by the licensed or registered person outside Hong Kong are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the SFO and the rules made thereunder. Consequently, such client assets may not enjoy the same protection as that conferred on client assets received or held in Hong Kong.

Risk of providing authority to hold mail or to direct mail to third parties.

If the Client provides GTJAF with an authority to hold mail or to direct mail to third parties, it is important for the Client to promptly collect in person all contract notes and statements of my/our Account and review them in detail to ensure that any anomalies or mistakes can be detected in a timely fashion.

24.2 Additional Risk Disclosure For Futures and Options Trading

This brief statement does not disclose all of the risks and other significant aspects of trading in futures and options. In light of the risks, the Client should undertake such transactions only if the Client understands the nature of the contracts (and contractual relationships) into which the Client is entering and the extent of the Client's exposure to risk. Trading in futures and options is not suitable for many members of the public. The Client should carefully

consider whether trading is appropriate for the Client in light of the Client's experience, objectives, financial resources and other relevant circumstances.

Futures

Effect of "Leverage" or "Gearing": Transactions in futures carry a high degree of risk. The amount of initial margin is small relative to the value of the futures contract so that transactions are "leveraged" or "geared". A relatively small market movement will have a proportionately larger impact on the funds the Client has deposited or will have to deposit: this may work against the Client as well as for GTJAF. The Client may sustain a total loss of initial margin funds and any additional funds deposited with the firm to maintain the Client's position. If the market moves against the Client's position or margin levels are increased, the Client may be called upon to pay substantial additional funds on short notice to maintain the Client's position. If the Client fails to comply with the request for additional funds within the time prescribed, the Client's position may be liquidated at a loss and the Client will be liable for any resulting deficit.

Risk-reducing orders or strategies: The placing of certain orders (e.g. "stop-loss" orders, or "stop-limit" orders), which are intended to limit losses to certain amounts, may not be effective because market conditions may make it impossible to execute such orders. Strategies using combinations of positions, such as "spread" and "straddle" positions may be as risky as taking simple "long" or "short" positions.

Options

Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarize themselves with the type of option (i.e. put or call) which they contemplate trading and the associated risks. The Client should calculate the extent to which the value of the options must increase for the Client's position to become profitable, taking into account the premium and all transaction costs.

The purchaser of options may offset or exercise the options or allow the options to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the option is on a future, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures above). If the purchased options expire worthless, the Client will suffer a total loss of the Client's investment, which will consist of the option premium plus transaction costs.

Selling ("writing" or "granting") an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavorably.

The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a future, the seller will acquire a position in a future with associated liabilities for margin (see Clause 23.1 on Futures above). If the option is "covered" by the seller holding a corresponding position in the underlying interest or a future or another option, the risk may be reduced.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

24.3 Additional Risks Common to Futures and Options

Terms and conditions of contracts: The Client should ask the firm with which the Client deals about the terms and conditions of the specific futures or options which the Client is trading and associated obligations (e.g. the circumstances under which the Client may become obliged to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

Suspension or restriction of trading and pricing relationships: Market conditions (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g. the suspension of trading in any contract or contract month because of price limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate/offset positions. If the Client has sold options, this may increase the risk of loss.

Further, normal pricing relationships between the underlying interest and the future, and the underlying interest and the option may not exist. This can occur when, for example, the futures contract underlying the option is subject to price limits while the option is not. The absence of an underlying reference price may make it difficult to judge "fair" value.

Deposited cash and property: The Client should familiarize himself/herself with the protections accorded money or other property the Client deposits for domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which the Client may recover the Client's money or property may be governed by specific legislation or local rules. In some jurisdictions, property, which had been specifically identifiable as the Client's own, will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

Commission and other charges: Before the Client begins to trade, the Client should obtain a clear explanation of all commission, fees and other charges for which the Client will be liable. These charges will affect the Client's net profit (if any) or increase the Client's loss.

Transactions in other jurisdictions: Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose the Client to additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Before the Client trades, the Client should enquire about any rules relevant to the Client's particular transactions. The Client's local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where the Client's transactions have been effected. The Client should ask the firm with which the Client deals with for details about the types of redress available in both the Client's home jurisdiction and other relevant jurisdictions before the Client starts to trade.

Currency risks: The profit or loss in transactions in foreign currency-denominated contracts (whether they are traded in the Client's own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.

Trading facilities: Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. The Client's ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary: the Client should ask the firm with which the Client deals for details in this respect.

Electronic trading: Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If the Client undertakes transactions on an electronic trading system, the Client will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that the Client's order is either not executed according to the Client's Instruction or is not executed at all.

Off-exchange transactions: In some jurisdictions, and only then in restricted circumstances, firms are permitted to effect off-exchange transactions. The firm with which the Client deals with may be acting as the Client's counterparty to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before the Client undertakes such transactions, the Client should familiarize himself/herself with applicable rules and attendant risks.
