# Disclaimer:

This presentation does not constitute an offer or invitation to purchase or subscribe for any securities or financial instruments or the provision of any investment advice, and no part of it shall form the basis of or be relied upon in connection with any contract, commitment or investment decision in relation thereto, nor does this presentation constitute a recommendation regarding the securities or financial instruments of Guotai Junan International Holdings Limited (“GTJAI”).

This presentation and subsequent discussions may contain forward-looking statements that involve risks and uncertainties. These statements are generally indicated by the use of forward-looking terminology such as “will,” “expects,” “anticipates,” “future,” “intends,” “plans,” “believes,” “estimates,” “potential,” “continue,” “ongoing,” “targets,” “guidance” or may be expressed as being the results of actions that may or are expected to occur in the future. In addition, statements that are not historical facts, including statements about GTJAI’s strategies and business plans, GTJAI’s beliefs, expectations and guidance regarding the growth of its business and its revenue, the business outlook and quotations from management in this presentation, as well as GTJAI’s strategic and operational plans, are or contain forward-looking statements.

Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: GTJAI’s expected revenue growth and ability to maintain or grow its revenue or business; fluctuations in general economic and business conditions globally; uncertainties arising from competition among countries and geopolitical tensions; changes in laws, regulations and regulatory environment that affect GTJAI’s business operations; risks associated with the performance of our business partners; privacy and data protection regulations and concerns.

All information provided in this presentation is as of the date of this presentation and are based on assumptions that we believe to be reasonable as of this date, and GTJAI does not undertake any obligation to update any forward-looking statement, except as required under applicable law.
