A screenshot of a 'Change Password' form. The form has a title 'Change Password' and a section for 'Password Requirements' with a list of rules: 'Password should contain at least one lower case character', 'Password should contain at least one upper case character', 'Password should be at least eight characters long', 'Password should contain at least one number', and 'Password should contain at least one special character'. Below the requirements are three input fields: 'Current Password', 'New Password', and 'Confirm New Password'. At the bottom right, there are two buttons: 'Cancel' and 'Change Password'. Red arrows point from the numbered instructions to the corresponding parts of the form: '3 输入旧密码' points to the 'Current Password' field, '4 输入新密码' points to the 'New Password' field, '5 确认新密码' points to the 'Confirm New Password' field, and '6 点击更改' points to the 'Change Password' button.
