2. PURPOSE AND STRUCTURE

2.1 GTJAFX is licensed by the SFC to carry on a business in Type 3 (leveraged foreign exchange trading) regulated activity (CE No. AUZ981). This Client Agreement sets out the terms and conditions applicable to:

- (i) all FX transactions which are Leveraged FX Transactions, spots, forwards, options, swaps or NDF Transactions (or such other types of FX transactions agreed between the Parties), in each case linked to one or more Currencies, between GTJAFX and the Client (each an "**FX Transaction**" and together, the "**FX Transactions**"); and

Upon agreement to a Transaction, the Parties shall be irrevocably and legally bound by the Transaction and GTJAFX will issue a confirmation or daily statement specifying and evidencing the specific terms of the Transaction (the "**Confirmation**"), and will send such Confirmation to the Client in accordance with Clause 25 (*Communication*). A failure by GTJAFX to issue a Confirmation shall not prejudice or invalidate the terms of any Transaction. To the extent that any Transactions involve derivative products, GTJAFX shall upon request

provide product specifications and any prospectus or offering documents covering such derivative products.

- 2.4 The Client shall promptly review each Confirmation sent by GTJAFX and, if the Client is of the view that any particular Confirmation does not reflect the Client's understanding of the relevant Transaction, the Client shall notify GTJAFX immediately in writing upon receipt of the Confirmation and in any event no later than one Business Day after the date on which the Client receives the Confirmation. If the Client does not receive a Confirmation within two (2) Business Days after the date on which the Transaction has been entered into, the Client must promptly notify GTJAFX. If GTJAFX does not receive any such notification within these time limits, the Confirmation, absent manifest error, shall be binding on both GTJAFX and the Client.
- 2.5 In the event of inconsistency or discrepancy, the terms of a Confirmation for the purpose of the relevant Transaction will prevail over the terms of this Client Agreement, unless otherwise specified in such Confirmation.
- 2.6 Where two or more Clients' names are set out on the signature page of the Account Opening Form, each Client shall be a joint tenant with right of survivorship. Each Client's liabilities and obligations shall be joint and several. In the event of death of either or any Client, the entire interest in any account opened on the Client's behalf shall be vested in the survivor or survivors on the same terms and conditions. Each Client shall have authority without notice to the other(s) to exercise all his rights, powers and discretions hereunder and generally to deal with GTJAFX as if each of them alone were the holder of the relevant Account. GTJAFX may follow the Instruction of any of them concerning each Account and shall not be obliged to inquire into or see the application of any monies as between the joint accountholders.
- 2.7 GTJAFX may act upon any Instruction it reasonably believes to be from the Client or one of the Client's Authorised Representatives, and shall not be under any obligation to verify the authenticity of such person or such Instruction. GTJAFX may decline to act on any Instruction if GTJAFX doubts the authenticity of the Instruction or GTJAFX reasonably believes it to be ambiguous or conflicting. GTJAFX shall not be liable for any loss that may be incurred by any Client as a result of GTJAFX declining to act on any such Instruction or GTJAFX acting on any unauthorised Instruction which GTJAFX reasonably believes to be genuine. Each Client shall indemnify and reimburse GTJAFX for all costs, claims, damages, losses and expenses of reasonable amount which GTJAFX may reasonably incur as a result of GTJAFX declining to act or acting on any Instruction.
- 2.8 Each of the Client's Authorised Representatives shall severally have full authority to act for the Client in all respects, including entering into any Transactions on the Client's behalf, making or receiving payments, and giving any Instructions (written and oral) on the Client's behalf to GTJAFX, unless and until GTJAFX has received a notice in writing that such authorisation has been revoked or ceased to have effect.
- 2.9 If GTJAFX solicits the sale of or recommends any financial product to the Client, the financial product must be reasonably suitable for the Client, having regard to the Client's financial situation, investment experience and investment objectives. "Financial product" means any securities, futures contracts or FX contracts as defined under the SFO.
- 2.10 **Order Cancellations:** The Client may amend or cancel the Client's Instructions that have been previously transmitted. The Client shall accept full responsibilities for the transactions, partial or full, executed prior to the processing of the Client's amendment and/or cancellation request.

- 2.11 **No Guarantee of Executions:** The Client acknowledges the fact that extraordinary events/technical difficulties may prevent or otherwise hinder the execution of the Client's Instructions. GTJAFX shall not be liable for losses arising from the default of any agent or any other party used by GTJAFX under this Agreement.
- 2.12 **Quoting Errors:** Should quoting and/or execution errors occur, which may include, but are not limited to, a dealer's mistype of a quote, a quote or trade which is not representative of fair market prices, an erroneous price quote from a trader, such as but not limited to an erroneous quote due to failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors, GTJAFX will not be liable for the resulting errors in account balances. In addition, orders must be placed allowing sufficient time to execute, as well as, sufficient time for the system to calculate necessary margin requirements. The execution of orders placed too close to prices, which would trigger other orders (regardless of order type) or a margin call, cannot be guaranteed. GTJAFX will not be liable for the resulting margin call, resulting balance, and/or positions in the account due to the system not having been allowed sufficient time to execute and/or calculate accordingly. The foregoing list is not meant to be exhaustive and in the event of a quoting or execution error, GTJAFX reserves the right to make the necessary corrections or adjustments on the account involved. Any dispute arising from such quoting or execution errors will be resolved by GTJAFX in its sole and absolute discretion. The Client agrees to indemnify and hold GTJAFX harmless from all damages or liability as a result of the foregoing.
- 2.13 A description of products and services provided by GTJAFX is also appended to this Agreement as Annex 2. .
- 2.14 **Restrictions on Trading:** The Client agrees that GTJAFX may, in GTJAFX's sole discretion and without giving the Client prior notice, prohibit or restrict his ability to trade or enter into Transactions through the Client's Account. The Client agrees that GTJAFX is not liable for any losses and/or damages, actual or hypothetical, as a result of such restrictions.

3. **SCOPE**

On the coming into effect of this Client Agreement, all Transactions then outstanding, or which may be entered into thereafter, between the Parties, are deemed to be Transactions governed by this Client Agreement and any confirmation or other confirming evidence of a Transaction (including, without limitation, by way of SWIFT) is deemed to be a Confirmation under and forming part of the Agreement (as defined below).

4. **SINGLE AGREEMENT**

All Transactions are entered into on the condition that this Client Agreement, together with all Confirmations, documents and other confirming evidence form one single agreement between the Parties (collectively referred to as the "**Agreement**"). The Parties acknowledge that all Transactions are entered into in reliance upon such fact, it being understood that the Parties would not otherwise enter into any Transaction.

5. **PAYMENT**

5.1 **Conditions Precedent**

Unless otherwise waived by GTJAFX, GTJAFX's obligations under Clause 5.2 (*Manner*)

below are subject to the condition precedent that:

- (i) no Event of Default or Potential Event of Default with respect to the Client has occurred and is continuing;
- (ii) no Early Termination Date has been effectively designated by GTJAFX in respect of one or more Transactions; and
- (iii) any other condition as may be specified in the Agreement to be a condition precedent for the purposes of this Clause 5.1 (*Conditions Precedent*).

5.2 Manner

- (i) Each Party will make each payment specified in each Confirmation to be made by it, subject to the provisions of the Agreement.
- (ii) Payments under the Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to the Agreement. Payments will be made in freely transferable and cleared funds and in the manner customary for payments in the relevant Currency and, in case of payments by the Client to GTJAFX, in accordance with GTJAFX's instructions.

5.3 Withholding and Gross-Up

- (i) All payments by the Client in respect of any Transaction under the Agreement will be made without deduction or withholding for or on account of any Tax unless required by applicable law. If the Client is required to deduct or withhold, the Client will:
 - (1) promptly notify GTJAFX;
 - (2) promptly pay to the relevant authority the full amount required to be deducted or withheld upon determining that such deduction or withholding is required and send GTJAFX an official receipt (or a certified true copy) and all such other documentation reasonably accepted by GTJAFX as evidence of such payment; and
 - (3) pay to GTJAFX, in addition to the payment to which GTJAFX is otherwise entitled under the Agreement, an additional amount to ensure that the net amount actually received by GTJAFX (free and clear of Taxes) equals the full amount GTJAFX would have received had no deduction or withholding been required.
- (ii) If GTJAFX is required, pursuant to the AEOI or otherwise by law, to withhold or deduct any AEOI withholding taxes (including any penalties or interest payable in connection with any failure to pay or any delay in paying any such taxes) on any payments to the Client, GTJAFX may deduct such taxes and GTJAFX will not be required to increase any payment in respect of which GTJAFX makes such withholding. The Client shall be treated for all purposes of the Agreement as if the Client had received the full amount of the payment, without any deduction or withholding. The Client shall provide GTJAFX with additional documentation reasonably requested by GTJAFX to determine the amount to deduct and withhold from such payment. If the Client fails to provide GTJAFX with such documentation in accordance with GTJAFX's request, GTJAFX may determine the amount to be deducted or withheld in its reasonable discretion and shall not be liable for any loss incurred to the Client as a result of such determination.

5.4 **Payment Netting**

If on any date amounts in respect of one or more Transactions would otherwise be payable in the same Currency by one Party to the other, then, on such date, each Party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one Party exceeds the aggregate amount that would otherwise have been payable by the other Party, replaced by an obligation upon the Party by which the larger aggregate amount would have been payable to pay to the other Party the excess of the larger aggregate amount over the smaller aggregate amount.

5.5 **Set-off**

- (i) Unless expressly provided otherwise in the Agreement, all sums payable by the Client under the Agreement shall be paid in full without set-off or counterclaim or any restriction or condition.
- (ii) The Client irrevocably and unconditionally authorises GTJAFX to apply any amounts (in whatever Currency) standing to the credit of the Account and/or any other account(s) in the Client's name with GTJAFX or with any of GTJAFX's Affiliates in reduction of any amounts (whether matured or contingent) payable by the Client under the Agreement.
- (iii) In addition to any right of set-off, offset, combination of accounts, lien, right of retention or withholding or similar right GTJAFX may have under the Agreement or by law, GTJAFX may, without prior notice to the Client or any other person, set off any sum or obligation (whether or not arising under the Agreement, whether matured or contingent and irrespective of the Currency, place of payment or booking office of the sum or obligation) owed by the Client to GTJAFX or any Affiliate of GTJAFX against any sum or obligation (whether or not arising under the Agreement, whether matured or contingent and irrespective of the Currency, place of payment or booking office of the sum or obligation) owed by GTJAFX or any Affiliate of GTJAFX to the Client.
- (iv) For the purpose of paragraph (iii) above, any relevant sum or obligation may be converted by GTJAFX into the Currency in which another is denominated at the rate of exchange determined by GTJAFX.
- (v) If an obligation is contingent or unascertained, GTJAFX may in good faith estimate the amount of that obligation and set-off in respect of such estimated amount.
- (vi) This Clause 5.5 (*Set-off*) shall not constitute or create a charge or other security interest.

5.6 **Interest and Compensation**

- (i) If the Client fails to make any payment under the Agreement when due, the Client will, to the fullest extent permitted by law, pay to GTJAFX interest (before and after judgment) on such unpaid amount, from (and including) the due date to (but excluding) the date of actual payment, at the Default Rate, as determined by GTJAFX.
- (ii) Interest under this Clause 5.6 (*Interest and Compensation*) will be calculated by GTJAFX on the basis of daily compounding and the actual number of days elapsed.

5.7 **Payment Currency**

- (i) Each payment under the Agreement or any Transaction by the Client to GTJAFX will

be made in the Currency in which such payment is to be made as specified by GTJAFX (the "**Transaction Currency**"). If for any reason the amount received by GTJAFX (converted to the Transaction Currency at a rate determined by GTJAFX in a commercially reasonable manner) falls short of the amount in the Transaction Currency payable to GTJAFX, the Client will, to the extent permitted by applicable law, immediately pay such additional amount in the Transaction Currency (calculated by GTJAFX) necessary to make good the shortfall, to the satisfaction of GTJAFX.

- (ii) To the extent permitted by applicable law, if any judgment or order expressed in a Currency other than the Currency of liability is rendered in GTJAFX's favour (i) for the payment of any amount owing under the Agreement or (ii) for the payment of any amount relating to any early termination of any Transaction in accordance with the Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in section (i) and/or (ii) above, GTJAFX shall, after recovery in full of the aggregate amount to which GTJAFX is entitled pursuant to the judgment or order, be entitled to receive immediately from the Client the amount of any shortfall of the Currency of liability converted into the Currency of the judgment or order for the purposes of such judgment or order at the rate of exchange determined by GTJAFX. The term "rate of exchange" includes, without limitation, any premiums and costs of exchange payable in connection with the purchase of or conversion into the relevant Currency.

5.8 The Account

- (i) The Client will open and maintain with GTJAFX a multi-currency account (the "**Account**") which will serve as the trading account for the trading and settlement of the Transactions. The Account is non-interest bearing, *provided that* if in respect of any day, the interest rate applicable to a Currency (such Currency, a "**Negative Rate Currency**") of the Account in respect of such day (as determined by GTJAFX in its sole and absolute discretion) is a negative figure, the Client shall pay the absolute value of the interest amount (the "**Client Interest Amount**") equal to the product of (i) the interest rate; and (ii) the amount denominated in such Negative Rate Currency and deposited in the Account in respect of such day, in each case, as determined by GTJAFX in its sole and absolute discretion. Without prejudice to any other provisions, the Client irrevocably and unconditionally authorises GTJAFX to apply, on each day on which the interest rate is negative, any amounts (in whatever Currency and converted into the Negative Rate Currency at GTJAFX's spot exchange rate determined by GTJAFX in its sole and absolute discretion) standing to the credit of the Account and/or any other account(s) in the Client's name with GTJAFX or with any of GTJAFX's Affiliates in reduction of the relevant Client Interest Amount payable by the Client under the Agreement.

For the avoidance of doubt, no employee or representative of GTJAFX may accept appointment as such Authorised Representative.

- (iii) The Client agrees and acknowledges that, all cash amounts (including, without limitation, any cash amount provided by the Client for trading and settlement purposes in accordance with this Clause 5.8 or as Margin in accordance with Clause 6 (*Margin*) below) standing to the credit of the Account (the "**Client Amount**"), together with any other cash amounts (together with the Client Amount, the "**Custody Amount**") provided by other clients of GTJAFX (together with the Client, the "**Beneficiary Clients**"), will be deposited in an omnibus account opened by GTJAFX as trustee for the Beneficiary Clients with an account bank selected by GTJAFX in its sole and absolute discretion (the "**Custodian Bank**"). The Client agrees and acknowledges that, if the Custodian Bank becomes insolvent or is unable to pay its debts or admits in writing its inability generally to pay its debts as they become due and GTJAFX is unable to recover the Custody Amount (or any part thereof) from the Custodian Bank, GTJAFX shall not be liable to make up any such shortfall to the Client and shall not be liable for any loss, cost or expenses whatsoever of the Client in the event that the Custodian Bank fails to repay any Custody Amount in full to GTJAFX. The Client acknowledges and understands that in this case, the Client will only recover from the amount (if any) actually received by GTJAFX from the Custodian Bank on a *pro rata* basis with all other Beneficiary Clients and such amount recovered may be substantially less than what the Client has provided to GTJAFX in accordance with this Agreement and may be zero.

5.9 **Safeguard of Password, PIN and Account Number**

For the protection of the integrity of the Account, the Client shall create a password and a PIN in order to have access to each Account. The Client acknowledges, represents and warrants that the Client is the sole and exclusive owner and authorised user of such password and PIN. The Client accepts full responsibility for monitoring and safeguarding the integrity and security of the Client's password, PIN and the Account Number. The Client shall immediately notify GTJAFX in writing if the Client becomes aware of any loss, theft or unauthorised use of the Client's password, PIN or the Account. GTJAFX shall not be liable for any loss or damage (consequential or otherwise) in connection with such loss, theft or unauthorised use whatsoever.

6. **MARGIN**

- 6.1 The Client agrees that all amounts standing to the credit of the Account shall be deemed Margin provided by the Client for the purpose of performing its obligations under the Agreement and shall be provided in accordance with this Clause 6 (*Margin*) and other terms and conditions signed or accepted by or on behalf of the Client that apply to or govern the credit / margin requirements, interest charges, margin calls and the circumstances under which the Client's positions may be closed without the Client's consent.
- 6.2 GTJAFX shall provide the Client with a statement in accordance with relevant requirements under the *Securities and Futures (Contract Notes, Statements of Account and Receipts) Rules*, specifying, amongst other things, its calculation of the marked-to-market value of all outstanding Transactions as of the immediately preceding Business Day, and any additional Margin that the Client is required to pay to GTJAFX in accordance with Clause 6.3 (*Undertaking to Pay Margin*) below. The calculation of the marked-to-market value of any

Transaction shall be calculated by GTJAFX in accordance with the reference prices provided by liquidity providers of GTJAFX or as determined by GTJAFX in a commercially reasonable manner.

6.3 Undertaking to Pay Margin

In respect of each Transaction under which the Client may incur a Liability to GTJAFX:

- (i) the Client shall deposit an amount equal to the Initial Margin prior to entering into any Transaction with GTJAFX; and
- (ii) the Client shall deposit additional cash in specified Currency into the Account as Margin in accordance with each Margin Notice received from GTJAFX, the amount of which shall be calculated in whatever manner GTJAFX may determine in its absolute discretion.

6.4 Holding of Margin

Subject to the *Securities and Futures (Client Money) Rules*, GTJAFX will hold all Margin on trust for the following beneficiaries in the following order of priority:

- (i) for GTJAFX to the extent of all sums due or which may become due to GTJAFX under or pursuant to the Agreement; and
- (ii) for the Client to the extent of any surplus which remains following payment of all those sums due from the Client to GTJAFX under the Agreement, subject to any right of set-off (or any other similar rights) in accordance with Clause 5.5 (*Set-off*).

6.5 Failure to Meet Margin Calls

Margin will be due for payment by the time and date specified in the Margin Notice and may require payment by close of business on the same day. If the Client fails to meet any margin calls when due, such failure will constitute an Event of Default and GTJAFX will be entitled to exercise any of its rights set out in the Agreement.

7. POWERS TO CLOSE OUT

Upon the occurrence of an Event of Default, without prejudice to any other rights under the Agreement or under any Transaction, contract or law, GTJAFX may, without prior reference to the Client, take any and all actions that GTJAFX considers to be necessary or desirable in the circumstances, including, but not limited to the following:

- (i) to terminate one or more Transactions pursuant to Clause 8 (*Partial Close-out*); or
- (ii) to terminate all Transactions pursuant to Clause 9 (*Total Close-out*); and/or
- (iii) to close out, replace or reverse any Transaction, buy, sell, borrow or lend, or enter into any other transaction or take, or refrain from taking, such other action as GTJAFX, in its absolute discretion, considers necessary or appropriate to cover, reduce or eliminate any loss or liability it may suffer or incur as a result of such Event of Default.

8. PARTIAL CLOSE-OUT

8.1 Partial Close-Out Notice

Without prejudice to any other rights of GTJAFX under the Agreement or under any Transaction, contract or law, upon the occurrence of an Event of Default, GTJAFX may by notice to the Client (a "**Partial Close-out Notice**") (and GTJAFX may give one or more Partial Close-out Notices in respect of any one or more Transactions at any time while an Event of Default is continuing):

- (i) declaring that (1) such outstanding Transaction(s) as is/are specified in the Partial Close-out Notice (each such Transaction, a "**Partial Terminated Transaction**") shall be terminated on the relevant Partial Termination Date in accordance with the terms of the Agreement; and (2) the performance of the respective obligations of the Parties with respect to payments under each such Terminated Transaction shall be effected in accordance with Clauses 8.2 (*Amounts Determined*) and Clause 10 (*Consequences of an Event of Default*), and
- (ii) designating any Business Day as the Partial Termination Date in respect of such Transactions,

provided that, if (a) a Close-out Notice shall be given in respect of a Transaction that is a Partial Terminated Transaction specified in a Partial Close-out Notice given on or prior to the date of such Close-out Notice, and (b) the Partial Termination Date in respect of such Transaction has not occurred at the time such Close-out Notice shall be given, this Clause 8 (*Partial Close-out*) shall cease to apply to such Transaction and the terms set out in Clause 9 (*Total Close-out*) shall apply to such Transaction.

8.2 Amounts Determined

- (i) GTJAFX will determine the Early Termination Amount payable in respect of all Partial Terminated Transactions in accordance with Clause 10 (*Consequences of an Event of Default*).
- (ii) If GTJAFX gives a Partial Close-out Notice under Clause 8.1 (*Partial Close-out Notice*), all rights of the Parties under the Agreement shall be subject to the provisions of Clause 10.4 (*Pre-Estimate*).

9. TOTAL CLOSE-OUT

9.1 Early Termination

Upon the occurrence of an Event of Default, without prejudice to any other rights under the Agreement or under any Transaction, contract or law, GTJAFX may by notice to the Client (a "**Close-out Notice**") declare that the provisions of this Clause 9 (*Total Close-out*) will apply and designate any Business Day as the Full Termination Date in respect of all outstanding Transactions under the Agreement, whether or not such Event of Default is continuing on that Business Day. However, no Close-out Notice is required to be given following the occurrence of an Event of Default described in Clause 12.3 (*Act of Insolvency*) in order for the provisions of Clauses 9.2 (*No Further Payments*) and 9.3 (*Amounts Determined*) to apply.

9.2 No Further Payments

Upon the giving of a Close-out Notice under Clause 9.1 (*Early Termination*), or the occurrence of an Event of Default described in Clause 12.3 (*Act of Insolvency*):

- (i) no further payments under the Agreement in respect of any outstanding Transaction will be required to be made, but without prejudice to the other provisions of the Agreement;
- (ii) all outstanding Transactions (the "**Full Terminated Transactions**") will, to the extent possible, be terminated on the Full Termination Date in accordance with the Agreement; and
- (iii) all other amounts owing under the Agreement will be payable on the Full Termination Date.

9.3 Amounts Determined

- (i) GTJAFX will determine the Early Termination Amount payable in respect of all Full Terminated Transactions in accordance with Clause 10 (*Consequences of an Event of Default*).
- (ii) Where an Event of Default described in Clause 12.3 (*Act of Insolvency*) shall have occurred, or if GTJAFX gives a Close-out Notice under Clause 9.1 (*Early Termination*), all rights of the Parties under the Agreement shall be subject to the provisions of Clause 10.4 (*Pre-Estimate*).

10. CONSEQUENCES OF AN EVENT OF DEFAULT

10.1 Early Termination

- (i) Upon the occurrence or effective designation of a Partial Termination Date or the Full Termination Date, no further payments under Clause 5.2 (*Manner*) in respect of the Partial Terminated Transactions or the Full Terminated Transactions (as applicable) will be required to be made, but without prejudice to the other provisions of the Agreement. The amount, if any, payable in respect of an Early Termination Date will be determined pursuant to Clause 10.2 (*Payments on Early Termination*).
- (ii) On or as soon as reasonably practicable following the occurrence or designation of an Early Termination Date, GTJAFX will make the calculations contemplated by Clause 10.2 (*Payments on Early Termination*) and will provide to the Client a statement (i) showing, in such detail as GTJAFX in its sole and absolute discretion deems appropriate, such calculations (including any quotations, market data or information from internal sources used in making such calculations), (ii) specifying any Early Termination Amount (as defined below) payable and (iii) giving details of the relevant account to which any amount payable to GTJAFX is to be paid.
- (iii) An Early Termination Amount due in respect of any designated Early Termination Date will be payable on the day on which GTJAFX shall by notice specify such amount is to be payable, together with interest in the Termination Currency from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid (before and after judgment).

10.2 Payments on Early Termination

- (i) If an Early Termination Date has been designated, the amount, if any, payable in respect of that Early Termination Date will be determined by GTJAFX under this Clause 10.2 (*Payments on Early Termination*).
- (ii) The amount payable in respect of the relevant Early Termination Date will be an

amount (the "**Early Termination Amount**") expressed in the Termination Currency Equivalent equal to (i) the sum of the Close-out Amount(s) (positive or negative) and the Unpaid Amounts owing to GTJAFX less (ii) the Unpaid Amounts owing to the Client, in each case, for each Terminated Transaction or group of Terminated Transactions in respect of such Early Termination Date. If the Early Termination Amount is a positive number, the Client will pay the amount calculated to GTJAFX. If it is a negative number, GTJAFX will pay the absolute value of that amount to the Client.

10.3 **Changes in Law Affecting GTJAFX**

If on or after the Agreement or any Transaction is entered into, by reason of any change in law or regulation or any force majeure, GTJAFX determines in good faith that it has become unlawful for GTJAFX to comply with any material provision of the Agreement or any Transaction, or that GTJAFX will incur a materially increased cost in performing GTJAFX's obligations under the Agreement or any Transaction (including any adverse effect on GTJAFX's tax position), GTJAFX may by notice to the Client terminate any Transaction in accordance with the provisions of Clauses 8 (*Partial Close-out*) or 9 (*Total Close-out*) as if an Event of Default has occurred and such Transaction(s) are the sole Terminated Transaction(s), or terminate the Agreement and/or other Transactions more generally.

10.4 **Pre-Estimate**

The Parties agree that an amount recoverable under Clause 10.2 (*Payments on Early Termination*) above is a reasonable pre-estimate of loss and not a penalty. Such amounts are payable for loss of bargain and loss of protection against future risks. Neither Party will be entitled to any additional damages in respect of any Terminated Transactions, except as otherwise expressly provided in the Agreement.

10.5 **Survival**

Clause 10 (*Consequences of an Event of Default*) of the Agreement shall survive the termination of the Agreement.

11. **ADDITIONAL RIGHTS**

11.1 **Additional Rights**

11.2 **Pre-Condition to Payment**

Any obligation GTJAFX may have to pay or repay any Deposit (whether as collateral or otherwise) shall be conditional upon there being no outstanding Liabilities (whether or not then due or payable), no outstanding Transaction under which Liabilities could arise, and the complete, final and unconditional payment, satisfaction and discharge in full, of all other Liabilities.

11.3 **Conditions of the Deposit**

Regardless of the terms on which moneys are credited to the Account, the Client shall be entitled to repayment of the Deposit if and only if:

- (i) there is no outstanding Transaction under which Liabilities could arise;
- (ii) the Liabilities have been paid and discharged in full; and
- (iii) GTJAFX remains under no further obligation to pay or repay any money (apart from the repayment of the Deposit) to the Client,

and until that time the Client shall not request, demand or claim to be entitled to withdraw the Deposit except (without prejudice to GTJAFX's rights under the Agreement) as GTJAFX may in its absolute discretion from time to time permit.

11.4 **Currency Conversion**

GTJAFX may for any purpose under the Agreement effect any necessary currency conversions at whatever rate of exchange determined by GTJAFX in a commercially reasonable manner, subject to any applicable laws or regulations.

11.5 **Authorization**

The Client authorizes GTJAFX to take any action (including, without limitation, executing any document on the Client's behalf) which in the reasonable opinion of GTJAFX is necessary or desirable for the purposes of the Agreement (which, for the avoidance of doubt, includes any act that is necessary or desirable to protect GTJAFX's position) and the Client undertakes not to bring any action or proceedings against GTJAFX for taking such actions.

12. **EVENTS OF DEFAULT**

The occurrence of each of the following will be an "**Event of Default**" for the purposes of the Agreement and the Client shall be deemed to be in default under all other transactions and agreements between GTJAFX and the Client, without regard to any notice to be given, any grace periods or any other conditions to be satisfied:

corporate or other law with potential application to the Client, whether the Client is solvent or insolvent), or seeking the appointment of an Insolvency Official in respect of the Client or any substantial part of the Client's assets; or

- (c) any corporate action to authorise any of the foregoing;
- (ii) An involuntary case or other procedure is commenced against the Client seeking or proposing bankruptcy, liquidation, reorganisation, an arrangement or composition, a freeze, standstill or moratorium, or other similar relief with respect to the Client or the Client's debts under any bankruptcy, insolvency, regulatory, supervisory or similar law (including any corporate or other law with potential application to the Client, if insolvent) or seeking the appointment of an Insolvency Official in respect of the Client or any substantial part of the Client's assets;
- (iii) The Client is unable to pay its debts as they fall due or is bankrupt or insolvent, as defined under any bankruptcy or insolvency law applicable to the Client or any indebtedness of the Client is not paid on the due date therefor, or becomes capable at any time of being declared, due and payable under agreements or instruments evidencing such indebtedness before it would otherwise have been due and payable, or proceedings relating to the Agreement are commenced for any execution, any attachment or garnishment, or distress against, or an encumbrancer takes possession of, the whole or any part of the Client's property, undertaking or assets (tangible and intangible);
- (iv) The Client is dissolved, or, if the Client's capacity or existence is dependent upon a record in a formal register, the registration is removed or ends, or any procedures are commenced seeking or proposing the Client's dissolution, removal from such a register, or the ending of such a registration; and

- (ii) either party to any hedging transaction entered into in connection with GTJAFX's hedging of any Transaction to make or receive any payment under that hedging transaction.

13. **SETTLEMENT DATE AND ROLLOVERS**

13.1 **Offset and Rollover**

In respect of a Leveraged FX Transaction or a Bullion Transaction, as the case may be, the Client may offset or rollover such Leveraged FX Transaction or Bullion Transaction, as the case may be, during any Trading Hour on any Business Day during the term of such Leveraged FX Transaction or Bullion Transaction, as the case may be, provided that GTJAFX is satisfied that (i) there are or will be sufficient funds in the Account of the Client for GTJAFX to effect such offset or rollover on the relevant Business Day; (ii) the Client has paid all required Margin into the Account in respect of such offset or rollover; and (iii) GTJAFX has received all required documents (if any) from the Client for the purpose of such offset or rollover. may be, in accordance with the foregoing or (ii) GTJAFX determines that there are insufficient funds in the Account for GTJAFX to effect the offset or rollover or (iii) the Client fails to provide Margin in accordance with GTJAFX's request, or (iv) the Client fails to provide any document required by GTJAFX to effect such offset or rollover, GTJAFX may (but shall not be obliged to), at its sole discretion, rollover or offset all or any portion of the Leveraged FX Transaction or the Bullion Transaction, as the case may be, for the Client's Account and at the Client's risk. GTJAFX shall, as soon as practicable, give notice to the Client of any offset or rollover effected under this Clause 13.1.

13.2 **Interest Expense**

Upon a rollover of a Transaction (or any portion of such Transaction), GTJAFX shall be entitled to charge an interest expense at a rate determined by GTJAFX in its sole and absolute discretion, after considering, including without limitation, its cost of funding and reference prices provided by the liquidity providers as selected by GTJAFX. GTJAFX shall be entitled to deduct such interest expense from the Client's Account, and the Client hereby irrevocably and unconditionally authorises GTJAFX to deduct any such interest expense from the Account at any time as GTJAFX may determine. GTJAFX shall, as soon as practicable, give notice to the Client of any such deduction from the Client's Account under this Clause 13.2.

14. **SECURITY INTEREST**

14.1 **First Fixed Charge**

As security for the payment and performance by the Client of the Liabilities (which Liabilities the Client hereby covenants to pay or satisfy as appropriate), the Client hereby charges in favour of GTJAFX, on trust for itself and its Affiliates by way of first fixed charge any and all right, title and interest of the Client to and in all amounts standing to the credit of the Account (and the debt or any beneficial interest represented thereby), including Deposit held as Margin (the "**Security Margin**").

14.2 **Floating Charge**

- (i) As security for the payment and performance by the Client of the Liabilities, the Client hereby charges in favour of GTJAFX, on trust for itself and its Affiliates by way of a first floating charge the Security Margin not at any time otherwise effectively charged by way of a first fixed charge under Clause 14.1 (*First Fixed Charge*).
- (ii) The first floating charge created by the Client under this Clause 14.2 (*Floating Charge*) shall crystallise into a first legal charge forthwith and automatically upon the earlier of (i) the receipt by the Client of the Security Margin, (ii) any corporate action, legal proceedings or other formal procedure or formal step is taken in relation to the winding-up, dissolution or re-organisation of the Client, (iii) the occurrence of any Event of Default, (iv) any person taking any step to effect any expropriation, attachment, sequestration, distress or execution against any of the Security Margin, or (v) the issue of a written notice by GTJAFX to the Client if GTJAFX considers it desirable to convert any floating charge created pursuant to this Clause 14.2 in order to protect or preserve the security over the Security Margin and/or the priority of the charge.

14.4 **Continuing Security**

The Security shall be a continuing security and shall not be satisfied by any intermediate payment or satisfaction of the whole or any part of any Liabilities, and shall be in addition to, and shall not be affected by any other security interest now or subsequently held by GTJAFX or any Affiliate for all or any Liabilities.

14.5 Where any discharge is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be repaid on liquidation or otherwise without limitation, the Security and the Liabilities shall continue as if there had been no such discharge or arrangement.

14.6 The Client (i) acknowledges that GTJAFX may file or register details of the Security in appropriate jurisdictions, and (ii) agrees that it shall, at its own expense, execute and/or file, or cause to be executed and/or filed, all such documents and notices (including, but not limited to, notice of the Security) in such manner and to such person and at such places as may reasonably be requested by GTJAFX to evidence and to establish and maintain the perfection and first priority of the Security.

14.7 GTJAFX may in its absolute discretion from time to time release any Deposit from the Security for the purposes of the Agreement. Any such release shall operate as a release of the Security in respect of the released Deposit only and the provisions of the Agreement and the Security shall continue to apply to the remaining Deposit. Any such release on any particular occasion shall not act as a waiver of or affect GTJAFX's right to refuse to make any such release on any other occasion.

14.8 The Client undertakes not to create or have outstanding any encumbrance or security interest whatsoever over any Security Margin other than the Security.

14.9 At any time following (i) GTJAFX receiving notice (either actual or otherwise) of any subsequent security interest affecting the Security Margin or (ii) if for any reason the Security ceases to be continuing, GTJAFX may open one or more new accounts in the Client's name (whether or not GTJAFX permits any existing Account to continue). If GTJAFX does not open any such new account, GTJAFX will nevertheless be treated as if GTJAFX had done so at the time, as the case may be, when the notice was received or deemed to have been received of the subsequent security interest or at the time of such cessation. No Deposit thereafter paid into or credited to any Account, whether new or continuing, shall discharge or reduce the amount secured by these terms.

In addition, the Client hereby authorises GTJAFX to provide the requested information to the SFC, the Exchange or other regulator(s) according to the request, where GTJAFX already has such information.

20.3 The Client confirms that neither the Client nor the Client's clients are subject to any law which prohibits the performance by the Client of this Clause 20 or, if the Client or the Client's clients are subject to such law, that the Client or the Client's clients, as may be the case, have waived the benefit of such law or consent in writing to the performance by the Client of these Clauses.

20.4 This Clause 20 shall continue in effect notwithstanding the termination of the Account or the Agreement.

21. **ELECTRONIC TRADING SERVICE**

21.1 **Electronic Trading Service**

The Client understands that the Electronic Trading Service is a semi-automated facility, which enables the Client to send electronic Instructions and receive information and services. The Client agrees to use the ETS only in accordance with the terms of the Agreement.

21.2 **Authorised Access**

The Client shall be the only authorised user of the ETS for each Account. The Client shall be responsible for the confidentiality and use of the Access Codes. The Client acknowledges and agrees that the Client shall be solely responsible for all Instructions entered through the ETS using the Access Codes and neither GTJAFX nor GTJAFX's directors, officers or employees

shall have any liability to the Client, or to any other person whose claim may arise through the Client, for any claims with respect to the handling, mishandling or loss of any Instruction.

21.3 Proprietary System

The Client acknowledges that the ETS is proprietary to GTJAFX. The Client warrants and undertakes that the Client shall not, and shall not attempt to, tamper with, modify, de-compile, reverse engineer or otherwise alter in any way, and shall not attempt to gain unauthorised access to, any part of the ETS. The Client acknowledges that GTJAFX may take legal action against the Client, if the Client at any time breaches this warranty and undertaking or if GTJAFX at any time suspects that the Client has breached the same. The Client undertakes to notify GTJAFX immediately if the Client becomes aware that any of the actions described above in this paragraph is being perpetrated by any other person.

21.4 Responsibility to Notify Errors

The Client further acknowledges and agrees that, as a condition of using the ETS to give Instructions, the Client shall immediately notify GTJAFX if:

- (i) an Instruction in respect of the Account has been placed through the ETS and the Client has not received an order number;
- (ii) an Instruction in respect of the Account has been placed through the ETS and the Client has not received an accurate acknowledgement of the Instruction or of its execution, whether by hard copy or via electronic or verbal means;
- (iii) the Client has received acknowledgement, whether by hard copy, electronic or verbal means, of a transaction which the Client did not originate or instruct; and/or

21.5 Alternative Trading Facilities

The Client agrees that, if the Client experiences any problem in reaching GTJAFX through the ETS or vice versa, the Client shall attempt to use an alternative method or device, as GTJAFX may make available, to communicate with GTJAFX to place the Client orders and to inform GTJAFX of the problem the Client may be experiencing. The Client acknowledges that GTJAFX gives no express or implied warranties (including but not limited to warranties of merchantability, functionality or fitness for a particular use) with respect to trade or trade related services. The Client agrees that GTJAFX shall not be responsible to the Client for any losses, costs, expenses, damages or claims which the Client may suffer as a result of any disruption, malfunction or other suspension of GTJAFX's service beyond GTJAFX's control.

21.6 Third Party Market Data

The Client understands that the ETS may provide, for informational purposes only, data published by third parties. Owing to market volatility and possible delay in the data-transmission process, the data may not be real-time market information for the relevant currencies. The Client understands that, whilst GTJAFX believes such data to be reliable, it has no independent basis to verify or contradict the accuracy or completeness of the information provided. The Client understands that no recommendation or endorsement from GTJAFX shall be inferred from the data provided with respect to any currencies.

21.7 No Guarantee of Accuracy or Timeliness of Information

The Client acknowledges that the price quote service available at the ETS is provided by a third party provider appointed by GTJAFX from time to time. The Client understands that information provided in the ETS is on an "as is", "as available" basis and GTJAFX does not guarantee the timeliness, sequence, accuracy, adequacy or completeness of such information.

21.8 The Client hereby confirms that, due to unpredictable traffic congestion and for other reasons, the ETS may not be a reliable medium of communication and that such unreliability is beyond the control of GTJAFX. This may give rise to delays in transmission and receipt of the Client's Instructions or other information, delays in execution or execution of the Client's Instructions at prices different from those prevailing at the time the Client's Instructions were given, misunderstanding and errors in any communication between the Client and GTJAFX and other adverse situations. Whilst GTJAFX will take every possible step to safeguard its systems, client information, accounts and assets held for the benefit of GTJAFX's clients, the Client accepts the risk of conducting financial and other transactions via the ETS.

21.9 Termination or modification of Electronic Trading Service

GTJAFX reserves the right to terminate the Client's access to the ETS or any portion of it or modify the ETS in its sole discretion, without notice and without limitation, for any reason whatsoever. In the event of such termination or modification, GTJAFX and its network/information providers shall have no liability to the Client.

22. FAX AND ELECTRONIC INSTRUCTIONS INDEMNITY

22.1 Electronic Instructions

The Client acknowledges that, from time to time, GTJAFX needs to act on fax or electronic Instructions (including but not limited to email or short message services (SMS)) from the Client. The Client understands that facsimile and electronic Instructions are not secure means of communication and there are risks involved. The Client hereby requests GTJAFX to accept such facsimile or electronic Instructions for the Client's convenience. GTJAFX is hereby authorised to act on any facsimile or electronic Instructions that GTJAFX in GTJAFX's sole discretion believes to have emanated from the Client. Provided that GTJAFX exercises reasonable care in verifying the signature of the purported authorised person in the facsimile Instructions or the identity of the person giving the electronic Instructions, GTJAFX shall not be liable for acting in good faith on facsimile or electronic Instructions that emanate from any unauthorised person.

22.2 Binding Transaction and Indemnity

Any Transaction entered into between GTJAFX and the Client pursuant to a facsimile or electronic Instruction acted upon in good faith and shall be binding upon the Client whether made with or without the Client's authority, knowledge or consent. The Client undertakes to indemnify GTJAFX and keep GTJAFX indemnified at all times against all actions, proceedings, claims, losses, damages, costs and expenses which may be brought against GTJAFX or suffered or incurred by GTJAFX and which shall have arisen either directly or indirectly out of or in connection with GTJAFX's accepting facsimile or electronic Instructions and acting thereon, whether or not the same are confirmed in writing by the Client.

23. FEES AND EXPENSES

23.1 Service Fees

All services will be charged in accordance with GTJAFX's then prevailing rate for the relevant service as notified by GTJAFX to the Client from time to time. The basis for such prevailing rate for the relevant notice shall be as notified by GTJAFX to the Client from time to time. The Client shall pay such fees promptly in the manner notified by GTJAFX.

Without prejudice to any other provisions of this Agreement, the Client shall pay such brokerage, commission and charges (including, without limitation, markups and markdowns, statement charges, idle account charges, order cancellation charges, account transfer charges or other charges), fees (including, without limitation, fees imposed by any interbank agency, bank, contract markets or other regulatory or self-regulatory organizations) arising out of GTJAFX providing services hereunder. All such charges shall be paid by the Client as they are incurred, or as GTJAFX in its sole and absolute discretion, may determine, and the Client hereby unconditionally and irrevocably authorises GTJAFX to withdraw the amount of any such charges from the Account.

23.2 Indemnity

- (i) The Client will indemnify each of GTJAFX and GTJAFX's directors, officers, employees and agents (each of these persons and entities, together with GTJAFX, the "**Indemnifiable Persons**") (on a full indemnity basis) against all out-of-pocket expenses, including legal fees, execution fees, stamp fees, filing fees, registration fees, charges incurred for documentation or similar tax, incurred by such Indemnifiable Person, directly or indirectly, in relation to the enforcement or protection of the rights of such Indemnifiable Person under the Agreement or by reason of the early termination of any Transaction, including costs of collection.
- (ii) The Client also unconditionally and irrevocably undertakes to keep each Indemnifiable Person fully indemnified from and against all liabilities, claims, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind whatsoever, legal or otherwise, on a full indemnity basis, which any Indemnifiable Person may at any time and from time to time sustain, suffer or incur under, in connection with or arising out of the Agreement.

23.3 Survival

Clause 23 (*Fees and Expenses*) of this Client Agreement shall survive the termination of the Agreement.

24. CONFLICT OF INTERESTS, BENEFITS AND INDEPENDENCE

24.1 Potential Conflict of Interests

Subject to applicable laws, rules and regulations, GTJAFX shall be entitled to:-

1. act in any capacity for any other person or buy, sell, hold or deal in any foreign Currencies or any types of Bullion for GTJAFX's own account even if similar transactions may be in the Client's Account or covered by the Instruction in respect of the Client's Account;
2. take the opposite position to the Client's order whether it is on GTJAFX's own account or is on behalf of other clients of GTJAFX;

3. purchase for the Client's Account any foreign Currencies or any types of Bullion from GTJAFX's own account;
4. purchase for GTJAFX's own account any foreign Currencies or any types of Bullion from the Client's Account; and
5. match the Client's order with that of GTJAFX's client(s) by acting on his or their behalf as well as on the Client's behalf,

provided that in cases under (c), (d), and (e) above, the terms of any transaction in which the Client is involved are not less favorable to the Client than they would have been, had the transaction been entered into at arm's length on the day in question. To the extent permissible under applicable laws, regulations and rules, GTJAFX shall not be liable to the Client for or obligated to disclose to the Client, any commission, profits or other benefits whatsoever resulting from GTJAFX's carrying out any of the above actions or entering into any of the above transactions.

24.2 Employee Dealing

Subject to applicable laws, rules and regulations and compliance with GTJAFX's internal policies and procedures, GTJAFX's employees, officers, agents, representatives and affiliates are permitted to buy, sell, hold or deal in any contracts for his/her own account.

24.3 Acceptance of Benefits

The Client acknowledges and agrees that GTJAFX may solicit, accept and retain for its own benefit any rebate, brokerage, commission, fee, discount and/or other benefit or advantage from any transaction effected by GTJAFX. GTJAFX will disclose such benefit or advantage to the Client upon request or otherwise in accordance with applicable laws, regulations and rules. GTJAFX may also offer at its discretion any benefit or advantage to any person in connection with such transaction:

1. **Quantifiable Monetary Benefits:** GTJAFX and/or its associates may from time to time enter into explicit remuneration arrangement with and receive directly or indirectly quantifiable monetary benefits from a product issuer for distributing or selling to the Client financial products or GTJAFX may otherwise obtain trading profits from back-to-back transactions of financial products ("back-to-back transactions" refer to transactions in which GTJAFX purchases a financial product from a third party subsequent to its receipt of an order from the Client, and GTJAFX then sells the same to the Client without assuming any market risk; or GTJAFX sells a financial product to a third party subsequent to its receipt of a sell order from the Client without assuming any market risks).
1. **Unquantifiable Monetary Benefits:** GTJAFX and/or its associates may from time to time receive monetary benefits from a product issuer for distributing or selling financial products to the Client where the monetary benefits are not quantifiable prior to or at the point of entering into a transaction. Such monetary benefits may be in the form of commissions, fees, rebates, spreads, or other form of remuneration.
2. **Non-explicit Remuneration Arrangement:** GTJAFX and/or its associates may from time to time distribute or sell to the Client financial products issued by the members of GTJA Group or their associates without any explicit remuneration arrangement. While GTJAFX and/or its associates may not explicitly receive monetary benefits for distributing or selling such products, GTJAFX and/or its associates may nonetheless receive non-explicit and/or non-monetary benefit from the origination and distribution

of the same.

3. **Non-Monetary Benefits:** GTJAFX and/or its associates may from time to time receive non-monetary benefits from products issuers and such non-monetary benefits may include commitment for businesses (whether contractual or otherwise and whether on exclusive basis or otherwise) or other forms of benefits that cannot be quantified in pecuniary terms.

24.4 **Discounts**

GTJAFX may in certain occasions exercise discretion to offer the Client discounts on fees and charges payable by the Client. In exercising the discretion, GTJAFX may take into account factors including the nature of the product, existence of any remuneration arrangement between GTJAFX and the product issuers, and the value of the Client's assets under management of any member of GTJA Group.

24.5 **Non-Independence**

GTJAFX will not be an independent intermediary in distributing or selling financial products to the Client because GTJAFX may have links or other legal or economic relationships with the issuers of such products; and/or GTJAFX may receive commissions, fees, or other monetary or non-monetary benefits from other parties including the issuers of such products.

26. MISCELLANEOUS

26.1 Portfolio Reconciliation, Dispute Resolution and One-Way Confirmation

The parties agree to reconcile portfolios of Relevant Transactions as required by the Portfolio Reconciliation Risk Mitigation Requirements in accordance with Annex 3 (*Portfolio Reconciliation, Dispute Resolution and One-Way Confirmation*).

26.2 Termination

- (i) Without prejudice to GTJAFX's rights under Clause 26.3 (*Sanctions*), either Party may terminate the Agreement at any time provided a written notice is given to the other Party fifteen (15) calendar days in advance. The Client understands, upon the receipt of such notice, that the Client's Accounts shall be restricted to the closing of transactions only (i.e. the liquidation of existing Transactions). However, GTJAFX may terminate the Agreement forthwith at any time without notice to the Client if the Client breaches or fails to comply with any term of the Agreement.
- (ii) Any termination of the Agreement is conditional on the satisfaction of any outstanding Liabilities, indebtedness and/or obligations in the Client's Accounts, including but not limited to any debit balance, executed and yet unpaid purchases and shall not affect any transaction already entered into, or prejudice or affect any right, power, duty and obligation of either Party accrued, prior to such termination.

26.3 Sanctions

The Client:

- (i) represents that each of it and its Related Persons (each, a "**Sanctions Compliance Group Member**") has complied, and undertakes that each of them shall comply, with all applicable economic, financial or trade sanctions laws, regulations, embargoes or restrictive measures, such as those promulgated by the United Nations, the European Union, the United States, the United Kingdom, Hong Kong, the PRC or other relevant jurisdictions (the "**Sanctions**"); and
- (ii) shall, without prejudice to any other provisions in this Agreement (including without limitation to clause 23.2 (*Indemnity*)), indemnify GTJA Group upon demand against any loss, claim, liability, expense or fees, asserted against or incurred by GTJA Group as a result of any (i) actual or alleged non-compliance with, any Sanctions by any Sanctions Compliance Group Member, or (ii) any action or omission by any Sanctions Compliance Group Member which might cause any GTJA Group entity to violate any Sanctions (each of (i) and (ii) above, a "**Sanctions Event**").

If a Sanctions Event occurs, GTJAFX may immediately and without notice to the Client cease any further dealings with the Client and terminate this Agreement. GTJA Group shall have no liability whatsoever for any liabilities, costs, expenses, damages and/or losses incurred by the Client as a result of such cessation of dealings or termination of this Agreement.

- (ii) GTJAFX may, without giving any prior notice, (i) make a transfer of all or any part of

the Agreement (a) to any of GTJAFX's Affiliates or associated companies, wherever situated, or (b) pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all of GTJAFX's assets to, another entity; and (ii) make a transfer of all or any part of GTJAFX's interest in any amount (if any) payable to GTJAFX under Clause 10.2 (*Payments on Early Termination*).

(iii) Any purported transfer that is not in compliance with this Clause 26.4 shall be void.

26.5 Severability

If any provision of the Agreement shall be held to be invalid or unenforceable by any court or regulatory agency or body, such invalidity or unenforceability shall attach only to such provision. The validity of the remaining provisions shall not be affected thereby and the Agreement shall be carried out as if any such invalid or unenforceable provision were not contained here. Time shall be of the essence in relation to all matters arising under the Agreement. Where the Clients consist of more than one person, the liability of each of the Clients shall be joint and several and references to us shall be construed, as the context requires, to any or each of the Clients. GTJAFX shall be entitled to deal separately with any of the Clients including the discharge of any liabilities to any extent without affecting the liability of the others.

26.6 Tape

The Client (i) consents to the recording of telephone conversations between the trading, marketing and other relevant personnel of GTJAFX in connection with the Agreement or any potential Transaction, (ii) agrees to obtain any necessary consent of, and give any necessary notice of such recording to, its relevant personnel and (iii) agrees, to the extent permitted by applicable law, that recordings may be submitted in evidence in any proceedings.

26.7 Records Conclusive

GTJAFX's records (in any form) are conclusive and binding on the Client in relation to the matters or facts therein stated, except for manifest error. The Client agrees that they will be admissible in any court or tribunal, or in any actions, proceedings or disputes between GTJAFX and the Client, as evidence of the facts and matters recorded in them.

26.8 Determinations Conclusive

All opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained by GTJAFX as to a matter, rate or an amount due from the Client will (in the absence of gross negligence or wilful default) be conclusive and binding on the Client.

26.9 Presumption of Authorization

Every transaction indicated or referred to in any notice, statement, confirmation or other communication and every statement of Account shall be deemed and treated as authorised and correct and as ratified and confirmed by the Client unless GTJAFX shall receive from the Client written notice to the contrary within five (5) calendar days after the date after such notice, statement, confirmation or other communication is deemed to have been received by the Client.

26.10 Duty to Notify

The Client shall inform GTJAFX within two (2) Business Days of the possession or knowledge of information, if the Client acts as intermediary for or effected a transaction on behalf of

someone other than the Client as an ultimate beneficiary owner(s). If the Client notices any discrepancies and/or error with regard to and in connection with any the Client's Account information, transactions, settlements and fund transfers. The Client agrees that the Client's failure to notify of such discrepancy and/or error in a prompt manner (no later than seven (7) calendar days) would exonerate GTJAFX and GTJAFX's agents from any claims, liabilities or damages resulted from those discrepancies and/or errors.

26.11 Amendment

To the extent permitted by law, GTJAFX may from time to time amend, revise, modify or supplement any of the terms and conditions of this Agreement by notifying the Client and such amendments shall come into effect immediately upon the Client deemed receipt of GTJAFX's notice. The Client acknowledges and agrees that if the Client does not accept any amendments (including amendments to GTJAFX's commission rates and fees) as notified by GTJAFX from time to time, the Client shall have the right to terminate this Agreement in accordance with termination clause under this Agreement. The Client further agrees that any amendments shall be deemed to be accepted by the Client, should GTJAFX continue to effectuate transaction(s) in the Client's Account without expressly communicate the Client objections to such amendments prior to the transaction(s).

26.12 Material Change

GTJAFX will notify the Client of material changes to any information provided to the Client, which may affect GTJAFX's name, address, licensing status or CE number with the SFC or the service(s) provided to the Client under this Agreement (including remuneration and the basis for payment) to be paid by the Client to GTJAFX and Margin facilities (including interest charges, Margin calls and circumstances under which the Client's positions may be closed without the Client's consent).

26.13 Waiver

Waiver of any right under this Agreement must be in writing signed by the party waiving such right. GTJAFX will not be regarded as having waived any right under this Agreement if GTJAFX fails or delays in exercising such right. Any single or partial exercise of any rights under this Agreement will not preclude any further exercise of such right or exercise of any other right. GTJAFX's failure to insist at any time on strict compliance with any of the terms or conditions of this Agreement or any continued course of such conduct on GTJAFX's part shall, in no event, constitute or be considered as a waiver by GTJAFX of any of GTJAFX's powers, rights, remedies or privileges.

26.14 Limits

GTJAFX may set limits on the size/value of the contracts that the Client may establish with GTJAFX without having to seek the Client's prior written consent. GTJAFX will notify the Client of these limits and any change to these limits in writing.

26.15 GTJAFX's Liability

GTJAFX is not liable for any failure or delay in executing any of the Client's Instructions caused by any event beyond GTJAFX's control.

26.16 Telephone / Fax Instructions

GTJAFX is authorised (but not obliged) to act on any Instruction which GTJAFX believes in good faith to have been given by or on behalf of the Client, whether or not the Instruction was

actually authorised, whether or not any signature was forged, and regardless of the amounts involved. GTJAFX shall not be obliged to conduct any due diligence to verify that these Instructions are authorised and/or signatures have not been forged. The Client shall be responsible for ensuring that all Instructions given to GTJAFX have been duly authorised and have not been forged.

GTJAFX shall not be bound to act on any Instructions when there is insufficient funds in any of the Client's Account with GTJAFX or if any applicable transaction limit is exceeded or if GTJAFX is prevented by law or any attachment or court order or restraint or has other lawful reason from complying with any Instructions given or purported to be given by the Client or the Client's authorised dealers and/or signatories or where such communication or Instructions are vague, unclear or incomplete. GTJAFX shall not be liable for or in respect of such Instructions carried out or acted upon by GTJAFX arising from or connected with any error or misunderstanding or lack of clarity in the terms of such Instructions.

The Client undertakes to indemnify GTJAFX (on a full indemnity basis) and to keep GTJAFX indemnified against all demands, claims, liabilities, losses, actions, proceedings, damages, costs and expenses incurred or sustained by GTJAFX of whatever nature and howsoever arising, out of or in connection with any such Instructions or the acting upon or carrying out of any such Instructions or the taking of steps in connection with or in reliance upon any such Instructions, and the Client shall reimburse GTJAFX any sums on demand.

26.17 Order Watching

GTJAFX may accept Instructions from the Client to execute or close a Transaction. GTJAFX is not required to obtain any further confirmation from the Client before executing such an Instruction. Such an Instruction will be valid during the agreed period, or until it has been cancelled or executed.

26.18 Entire Agreement

The Agreement constitutes the entire agreement and understanding of the Parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto. Nothing within this Clause is deemed to waive any rights GTJAFX may have against the Client for any liability for fraud or misrepresentation. No amendments, modification or waiver in respect of the Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the Parties or carried out in accordance with Clause 26.11 (*Amendment*) above.

26.19 Remedies Cumulative

Except as provided in the Agreement, the rights and remedies provided in the Agreement are cumulative and not exclusive of any rights and remedies provided by law.

26.20 No Waiver

A failure or delay in exercising any right, power or privilege in respect of the Agreement will not operate as a waiver, and a single or partial exercise of any right, power or privilege will not preclude any further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

26.21 Waiver of Immunities

The Client irrevocably waives, where relevant and to the extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all

immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction or order for specific performance or recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any proceedings.

26.22 Curtailment or Restriction on GTJAFX

The Client acknowledges that the Client may be affected by any curtailment of, or restriction on, the capacity of GTJAFX to trade in respect of open position as a result of action taken by the SFC or other regulators under applicable rules and regulations or for any other reason, and that in such circumstances, the client may be required to reduce or close out his/its positions with GTJAFX.

26.23 Governing Law

The Agreement is governed by the laws of Hong Kong.

26.24 Dispute Resolution, Jurisdiction and Process Agent

Where dispute between the parties arises, the parties will consult in good faith in an attempt to resolve the dispute in a timely manner. Should such attempt to resolve the dispute fail, the parties shall, if so required by either party, refer the dispute to arbitration in accordance with the Securities and Futures (Leveraged Foreign Exchange Trading - Arbitration) Rules. Should no party require such arbitration, either party may commence action or legal proceeding in respect of such dispute in any Hong Kong courts. Subject to applicable law, the Client submits to the exclusive jurisdiction of the Hong Kong courts and irrevocably waives any objection which the Client may now or in the future have to the Hong Kong courts as a venue for any proceeding in connection with the Agreement and any claim which the Client may now or in the future be able to make that any proceeding has been instituted in an inappropriate forum.

Unless otherwise agreed by the Parties, the Client hereby authorises GTJAFX to appoint, at the Client's expense, an agent for service of process in Hong Kong. The Client agrees to be bound by the terms and conditions of the agent for service of process in Hong Kong appointed on its behalf by GTJAFX.

26.25 Indemnities

To the extent permitted by applicable law, the indemnities contained in the Agreement constitute separate and independent obligations from other obligations in the Agreement and shall:

- (i) be enforceable as separate and independent causes of action;
- (ii) apply notwithstanding any indulgences granted by the relevant Party to which any payment is owed; and
- (iii) not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of the Agreement.

26.26 Rights of Third Parties

A person who is not a Party to the Agreement has no right under the Contract (Rights of Third Parties) Ordinance (Cap. 623) to enforce any term of the Agreement.

26.27 **English/Chinese Version**

The Client confirms that the Client has read the English version of the Agreement and that the contents of the Agreement have been fully explained to the Client in a language which the Client understands, and that the Client accepts the Agreement in its entirety.

ANNEX 1 RISK DISCLOSURE STATEMENT

1. General

The following risk disclosure statements cannot disclose all the risks and other significant aspects involved. The intention is to inform the Client that the risk of loss may be substantial in certain circumstances. In light of the risks, the Client should invest or trade only if it understands the nature of the contracts (and contractual relationships) it is entering into and the extent of its exposure to risk. The Client should carefully consider whether the Transaction is suitable for it in light of its experience, financial position, resources, objectives and other circumstances. The Client should undertake its own research and study before it invests or trades. The Client is advised to seek independent financial and professional advice before it invests or trades. The Client should seek independent professional advice if it is uncertain of or has not understood any aspect of these risk disclosure statements or the nature and risks involved in investment or trading.

- (i) The Transactions are "non-transferable" and it may be impossible for the Client to close out or liquidate them.
- (ii) GTJAFX may from time to time provide the Client with information on investments, products or markets such as research, reports, market trends, investment analysis, commentary or internal ratings on the performance of selected companies, assets, interest rates, exchange rates and/or indices. The Client understands and agrees that such information is for reference purposes only when it is not accompanied by a solicitation or recommendation and it should not be construed as any endorsement or recommendation of the investments, products or markets.
- (iii) The Client confirms to GTJAFX that it has sufficient knowledge and experience to be able to evaluate the merits and risks of entering into each Transaction, and the Client is able to make, have made or will make its own assessments and decisions on the merits and risks of the Transactions that it enters into and products it will invest in.
- (iv) Rates may fluctuate rapidly. No indication or quotation of any rate binds GTJAFX until the Client has "accepted" it and GTJAFX has thereafter re-confirmed it.
- (v) Past performance is not indicative of future performance. The offering documents or information provided by GTJAFX and/or its affiliates have not been reviewed by the SFC and/or other relevant regulatory authorities and investors are advised to exercise caution in relation to the offer.

2. Commission and Other Charges

Before the Client begins to trade, it should obtain a clear explanation of all commission, fees and other charges for which it will be liable. These charges will affect its net profit (if any) or increase its loss.

3. Currency Risks

The profit or loss in Transactions in foreign currency-denominated contracts (whether they are traded in the Client's own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the Currency denomination of the contract to another Currency.

4. Risks Relating to Historic Rate Rollover

Historic rate rollover may be used to conceal losses or to perpetuate fraud as losses are not usually realised unless a transaction is settled or closed-out by GTJAFX.

5. Risks Relating to Exchange Rate Volatility

Substantial losses may be sustained on the contract, trade, product or financial investment if the market conditions move against the Client's position. Market movements may have an impact on the extent of profit/loss the Client would be exposed to when there is an upward or downward movement in the relevant rates, and the extent of loss if the Client has to liquidate a position should market conditions move against such Client. The Client's position may be liquidated at a loss and the Client will also be liable for any resulting deficit in his/its account with GTJAFX.

6. Liquidity Risks

It may be difficult or impossible to liquidate or trade in a Transaction, to assess a fair price or assess risk exposure. This can happen, for example, where the market for a transaction is illiquid or where there is a failure in electronic or telecommunications systems, and where there is the occurrence of an event commonly known as "force majeure". Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily limit the Client's losses to the intended amounts, as it may be impossible to execute such orders under certain market conditions.

7. Liquidity Risk: Non-Deliverable Forwards

The underlying currency of a NDF Transaction may not have a ready market. Consequently, the NDF Transaction may be very illiquid and, in such event, the Client may sustain substantial losses as the bid/offer spreads may be very wide if the market moves against such Client's position.

8. Off-exchange Transactions

In some jurisdictions, there may be restricted circumstances in which firms are permitted to effect off-exchange Transactions. Off-exchange Transactions have higher counterparty default risk than the exchange-traded Transactions. The firm with which the Client deals may be acting as the Client's counterparty to the off-exchange Transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these off-exchange Transactions may involve increased risks. Off-exchange Transactions may be less regulated or subject to a separate regulatory regime. Before the Client undertakes such off-exchange Transactions, it should familiarise itself with applicable rules and attendant risks.

9. Trading Facilities

Electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. The Client's ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or participant firms. Such limits may vary: the Client should ask GTJAFX for details in this respect.

10. Risk of Trading in the Transactions

The risk of loss in FX and Bullion trading can be substantial. The Client acknowledges and

agrees that he/it may sustain losses in excess of his/its initial margin funds. Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily limit losses to the intended amounts. Market conditions may make it impossible to execute such orders. The Client acknowledges and agrees that he/it may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, his/its position may be liquidated. The Client will remain liable for any resulting deficit in his/its account. The Client should therefore carefully consider whether such trading is suitable in light of his/its own financial position and investment objectives.

11. Risk of Margin Trading

The risk of loss in financing a transaction by deposit of collateral is significant. The Client acknowledges and agrees that he/it may sustain losses in excess of his/its cash and any other assets deposited as collateral with the licensed or registered person. Market conditions may make it impossible to execute contingent orders, such as "stop-loss" or "stop-limit" orders. The Client may be called upon at short notice to make additional margin deposits or interest payments. If the required margin deposits or interest payments are not made within the prescribed time, the Client's collateral may be liquidated without his/its consent. Moreover, the Client will remain liable for any resulting deficit in his/its account and interest charged on his/its account. The Client should therefore carefully consider whether such a financing arrangement is suitable in light of his/its own financial position and investment objectives.

12. Risk of Electronic Trading

Trading on an electronic trading system may differ from trading on other electronic trading systems, and the Client will be exposed to risks associated with the system and/or the internet if the Client undertakes transactions on an electronic trading system and/or the internet. Access to the internet or other electronic devices may be limited or unavailable during periods of peak demand, market volatility, systems upgrades or maintenance or for other reasons. Transactions conducted through the internet or other electronic devices may be subject to interruption, transmission blackout, and delayed transmission due to unpredictable traffic congestion and other reasons beyond GTJAFX's control. The internet is, due to technical limitations, an inherently unreliable medium of communication. As a result of such unreliability and/or failures of hardware or software associated with electronic trading systems, there may be delays in the transmission and receipt of Instructions and other information and this may result in delays in the execution of Instructions, failure to execute orders according to Instructions (including execution at prices different from those prevailing prices at the time the Instructions were given) and/or Instructions not being executed at all. Moreover, communications and personal data may be accessed by unauthorised third party; and there are risks of misunderstanding or errors in any communication and such risks shall be absolutely borne by the Client. The Client acknowledges and agrees that it shall not usually be possible to cancel an Instruction after it has been given.

13. Risks of Assets Received or Held Outside Hong Kong

The Client acknowledges and agrees that the Client's assets received or held by the licensed or registered person outside Hong Kong are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the SFO and the rules made thereunder. Consequently, the Client's assets may not enjoy the same protection as that conferred on the Client's assets received or held in Hong Kong.

14. Risk of Providing Authority to Hold Mail or to Direct Mail to Third Parties

If the Client provides GTJAFX with an authority to hold mail or to direct mail to third parties, it is important for the Client to promptly collect in person all contract notes and statements of

the Client's Account and review them in detail to ensure that any anomalies or mistakes can be detected in a timely fashion.

15. Instructions Outside Hong Kong

If the Client gives any Instruction to GTJAFX outside Hong Kong, the Client agrees to ensure and represent that such Instruction will have been given in compliance with any applicable law of the relevant jurisdiction from which the Client's Instruction is given, and the Client further agrees that the Client shall, when in doubt, consult legal advisers and other professionals of the relevant jurisdiction. The Client accepts that there may be taxes or charges payable to relevant authorities in respect to any Instruction given outside Hong Kong, and the Client agrees to pay such taxes or charges as applicable.

16. Credit Risk of GTJAFX

If GTJAFX becomes insolvent or defaults on its obligations, the Client may only claim as an unsecured creditor of GTJAFX.

17. Credit Risk of the Custodian Bank

All Client Amounts provided by the Client will be deposited into the custody account opened by GTJAFX as trustee with the Custodian Bank. The Client is exposed to the credit risk of the Custodian Bank if it becomes insolvent and/or it is unable to repay its debt in full or otherwise. In the event that the Custodian Bank is unable to repay the Custody Amount to GTJAFX in full, GTJAFX shall not be liable to make any shortfall to the Client and shall not be liable for any loss, costs and expenses of the Client. The Client may only recover from the amount (if any) actually received by GTJAFX from the Custodian Bank on a *pro rata* basis with all other Beneficiary Clients and such amount recovered may be substantially less than what the Client has provided to GTJAFX in accordance with this Agreement and may be zero.

18. Limited Maximum Potential Gain

The maximum potential gain is capped at the pre-determined exchange rate on the FX products.

19. Early Termination Risk

Early termination may not be permitted. Investor may suffer loss as a result of any early termination requested by the investor.

20. Forwards

Transactions in forwards involve the obligation to make, or to take, delivery of the underlying asset of the contract at a future date, or in some cases to settle your position in cash without delivery of the underlying asset.

The seller of a forward contract must deliver the agreed price which can be considerably below the then market price in the case of rising prices. The purchaser of a forward contract on the other hand must accept delivery at the agreed price in the case of falling prices. In both cases, the risk lies in the difference between the agreed price and the market price. This risk is not determinable in advance and can exceed any collateral provided.

21. Derivatives

(a) A derivative is a financial instrument, the value of which is derived from an underlying asset's value. Rather than trade or exchange the asset itself, an agreement is entered into

to exchange money, assets or some other value at some future date based on the underlying asset. A premium may also be payable to acquire the derivative instrument.

- (b) You should not deal in derivative products unless you understand the nature of the contract you are entering into and the extent of your exposure to risk. You should also be satisfied that the contract is suitable for you in the light of your circumstances and financial position.
- (c) An investor in derivatives often assumes a high level of risk, even where the intention behind entering to a derivative is to reduce risk by way of hedging, and therefore investments in derivatives should be made with caution, especially for less experienced investors or investors with a limited amount of capital to invest.
- (d) If a derivative transaction is particularly large or if the relevant market is illiquid (as may be the case with many privately negotiated off-exchange derivatives), it may not be possible to initiate a transaction or liquidate a position at an advantageous price.
- (e) Off-exchange derivatives may take the form of unlisted transferable securities or bilateral "over-the-counter" contracts ("OTC"). Although these forms of derivatives may be traded differently, both arrangements may be subject to credit risk of the issuer (if transferable securities) or the counterparty (if OTCs) and, like any contract, are subject also to the particular terms of the contract (whether a one-off transferable security or OTC contract, or a master agreement), as well as the risks identified in this Annex. In particular, with an OTC contract, the counterparty may not be bound to "close out" or liquidate this position, and so it may not be possible to terminate a loss-making contract. Off-exchange derivatives are individually negotiated. As the terms of the transactions are not standardised and no centralised pricing source exists (as exists for exchange traded instruments), the transactions may be difficult to value. Different pricing formulas and financial assumptions may yield different values, and different financial institutions may quote different prices for the same transaction.
- (f) Derivatives can be used for speculative purposes or as hedges to manage other investment or economic risks. In all cases the suitability of the transaction for the particular investor should be very carefully considered.
- (g) You are therefore advised to ask about the terms and conditions of the specific derivatives and associated obligations (e.g. the circumstances under which you may become obligated to make or take delivery of an underlying asset and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying asset. Normal pricing relationships between the underlying asset and the derivative may not exist in all cases. This can occur when, for example, the futures contract underlying the option is subject to price limits while the option is not. The absence of an underlying reference price may make it difficult to assess "fair" value.

22. Concentration Risk

The value of a Transaction is highly volatile and may be affected by the market, currency, economic, and political conditions of the country to which the currency(ies) of the Transaction relate. This may result in an increased amount of volatility, liquidity, price and foreign exchange risk associated with investments in respect of the currency of one or more countries. If there are any economic and financial difficulties in such country, or if the measures taken by the relevant government or authorities to solve such economic and financial difficulties did not work, this may have significant adverse consequences on your investments in the Transaction and thus

adversely affect the overall value of the Transaction. If you have invested all or a substantial amount of your assets in Transactions that are exposed to a small number of currencies, your investment return may be subject to a high concentration risk and you may lose some or all of your investment in the Transactions if the market goes against your view.

23. Settlement Risk

A failure in settling a Transaction may arise from counterparty default, operational problems, market liquidity constraints and other factors and, accordingly, parties to settlement of such Transaction normally assume full and unsecured risk with regard to counterparty exposure. If there is a failure to settle any Transaction, this may have a material adverse impact on the value of such Transaction and you may lose some or all of your investment in such Transaction.

24. Not a Time Deposit

A Transaction is not equivalent to time deposit and does not represent any deposit of money. It is not protected under the Deposit Protection Scheme in Hong Kong.

25. Additional Risks Associated with Bullion Transactions

Bullion Transactions linked to the price of gold or silver may be subject to certain specific risks.

Gold and silver are precious metals. Consequently, Bullion Transactions linked to the price of such commodities may be subject to a number of additional factors specific to precious metals that might cause price volatility. These may include, among others:

- disruptions in the supply chain, from mining to storage to smelting or refining;
- adjustments to inventory;
- variations in production costs, including storage, labor and energy costs;
- costs associated with regulatory compliance, including environmental regulations;
- changes in industrial, government and consumer demand, both in individual consuming nations and internationally;
- precious metal leasing rates;
- currency exchange rates;
- level of economic growth and inflation; and
- degree to which consumers, governments and corporate and financial institutions hold physical gold as a safe haven asset (hoarding) which may be caused by a banking crisis/recovery, a rapid change in the value of other assets (both financial and physical) or changes in the level of geopolitical tension.

These factors interrelate in complex ways, and the effect of one factor on the market value of Bullion Transactions linked to the price of gold or silver may offset or enhance the effect of another factor.

26. Acknowledgment of the Risks

The above risk disclosures have been explained by GTJAFX's licensed person to the Client and the Client understands and accepts the above stated risk disclosures.

- (a) on each Data Delivery Date, GTJAFX will provide Portfolio Data to the Client;
- (b) on each PR Due Date, the Client will perform a Data Reconciliation;
- (c) if the Client identifies one or more discrepancies which the Client determines, acting reasonably and in good faith, (A) are material to the rights and obligations of the parties in respect of one or more Relevant Transaction(s), or (B) relate to valuation and any such discrepancy between the relevant valuations is more than 10% of the higher valuation, the Client will notify GTJAFX in writing as soon as reasonably practicable and the parties will consult with each other in an attempt to resolve such discrepancies in a timely fashion for so long as such discrepancies remain outstanding, using, without limitation, any applicable updated reconciliation data produced during the period in which such discrepancy remains outstanding; and
- (d) if the Client does not notify GTJAFX that the Portfolio Data contains discrepancies by 17:00 local time in the place of business of GTJAFX on the fifth Joint Business Day following the later of the PR Due Date and the date on which GTJAFX provided such Portfolio Data to the Client, the Client will be deemed to have affirmed such Portfolio Data.

(2) Change of Status

- (a) Each party may change its own designation with the written agreement of the other party (such agreement not to be unreasonably withheld or delayed and for this purpose the parties agree, without limitation, that it will not be unreasonable for a party to withhold agreement where agreement would result in (i) the other party having different designations in respect of such party and one or more Affiliates of such party or (ii) none of the parties being a Portfolio Data Sending Entity).
- (b) If a party believes, acting reasonably and in good faith, that the parties are required to perform Data Reconciliation at a greater or lesser frequency than that being used by the parties at such time, it will notify the other party of such in writing, providing evidence on request. From the date such notice is effectively delivered, such greater or lesser frequency will apply and the first following PR Due Date will be the earlier of the date agreed between the parties and the last Joint Business Day in the PR Period starting on the date on which the immediately preceding Data Reconciliation occurred (or, if no Joint Business Day occurs which is within such PR Period and is on or following the date such notice is effective, the first Joint Business Day following the later of the end of such PR Period and the date such notice is effective).

The parties agree that they will use the following procedure to identify and resolve Disputes between them:

- (b) on or following the Dispute Date, the parties will consult in good faith in an attempt to resolve the Dispute in a timely manner, including, without limitation, by exchanging any relevant information and by identifying and using any Agreed Process which can be applied to the subject of the Dispute or, where no such Agreed Process exists or the parties agree that such Agreed Process would be unsuitable, determining and applying a resolution method for the Dispute. Where the Dispute shall remain unresolved after the Agreed Process or the resolution method as determined by the parties has been applied, the parties shall, if so required by either party, refer the Dispute to arbitration in accordance with the Securities and Futures (Leveraged Foreign Exchange Trading - Arbitration) Rules.

(5) Relationship to Other Portfolio Reconciliation and Dispute Resolution Processes

Parts (1) to (4) and (6) to (7) and any action or inaction of either party in respect of these Parts are without prejudice to any rights or obligations the parties may possess in respect of each other under any Agreed Process or other contractual agreement, by operation of law or otherwise. Action or inaction by a party in respect of these Parts will not be presumed to operate as an exercise or waiver, in whole or part, of any right, power or privilege such party may possess in respect of each other under any Agreed Process, this Agreement or other contractual agreement, by operation of law or otherwise. In particular, but without limitation, (a) any valuation in respect of one or more Relevant Transactions for the purposes of these Parts will be without prejudice to any other valuation with respect to such Relevant Transaction(s) made for collateral, close out, dispute or other purpose; (b) the parties may seek to identify and resolve issues and discrepancies between themselves before either party delivers a Dispute Notice; and (c) nothing in these Parts obliges a party to deliver a Dispute Notice following the identification of any such issue or discrepancy (notwithstanding that such issue or discrepancy may remain unresolved) or limits the rights of the parties to serve a Dispute Notice, to commence or continue an Agreed Process (whether or not any action under Part (4) has occurred) or otherwise to pursue any dispute resolution process in respect of any such issue or discrepancy (whether or not any action under Part (4) has occurred).

(6) One-Way Confirmation

The parties agree that they may use one-way confirmation (negative affirmation) to confirm Transactions under this Agreement, provided that such confirmation (i) is not prohibited under applicable laws and regulations and (ii) would be legally binding on the parties.

(8) Remedies for Breach

Without prejudice to the rights, powers, remedies and privileges provided by law, failure by a party to take any actions required by or to otherwise comply with Parts (1) to (7) will not constitute an event of default in respect of such party or any other event which permits either party to terminate any Relevant Transaction or other transaction under this Agreement.
