Disclosure of Monetary and Non-Monetary Benefits in Relation to Product Distribution and Transactions

We and/or our affiliates may receive commissions, fees, rebates, spreads or other monetary or non-monetary from product issuers, counterparties, brokers, agents or other third parties in connection with trades, transactions or the distribution of investment products to you. In certain cases, the amount of such benefits may not be known at the time of the transaction. Where we execute the transaction at a better price with our counterparties, we will retain the benefit of any price improvement provided that the spread does not exceed the maximum amount or percentage range of fees or charges as detailed in this schedule.

We may also distribute or sell investment products issued or arranged by members of the GTJA Group or their associates, and may receive benefits in connection with the transactions, distribution or sale of such products. You acknowledge and agree that we are entitled to retain such commissions, fees, rebates and other benefits, unless otherwise required by applicable laws or regulations. As a result of these arrangements, we may not be acting as an independent intermediary in relation to investment products distributed or sold to you.
